Item 2 on the margin of the
Current letter.

The Govt College Kumbakonam and
The Sub. Arch. Inspector of Schools in the
presidency are supplied with Cyclostyle
Machines. The D.P.I. in recommending the
supply of the same to certain other officers and
institutions, suggests that the Presidency
College may be supplied with 2 machines
one for the Botany and the other for the Geology
Sections. It is for consideration whether one
machine will not suffice for the two Sections
of the same branch of study viz Natural Science
in the same College. Subject to such modifi-
cation the D.P.I.'s proposal may be approved.
A draft order is placed below for approval.

Submitted that the D.P.I. may be
requested to state whether one
machine will not suffice for both
the Botany & Geology sections.

Each of the
Sections would
I think need a
machine

Submitted that the draft which has been
altered may now issue.
