READ—the following papers:—

I

Letter—from K. T. B. TRESSLER, Esq., Director of Industries.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 17th June 1915.
No.—E. 46.

I have the honour to submit herewith a copy of letter No. 124/Bd., dated 11th June 1915, of the Principal, Veterinary College, complaining about the conduct of K. Narayanaswami, one of the candidates to whom a Government scholarship was awarded in G.O. No. 585, Educational, dated 2nd June 1915. The candidate did not inform me that he was already in possession of a Government scholarship in the Veterinary College and I regard his behaviour as most improper. The scholarship awarded to him may be cancelled.

2. M. H. Krishnaswami has just wired me from Bombay, declining his scholarship and requesting that the bond which he has executed may be cancelled. He has been asked to state his reasons for so doing. His reply is appended.

3. T. S. Ramayya has executed the bond and proceeded to Bombay to join the Institute. I shall submit his bond after hearing from the Principal.

ENCLOSURES.

(i)

Letter—from D. A. D. AITCHISON, Esq., Principal, Veterinary College, Madras.
To—the Board of Revenue, Madras.
Dated—the 11th June 1915.
No.—124/Bd.

I have the honour to forward to the Board a copy of a letter from student K. Narayanaswami of class A making an application to be allowed to resign his seat and scholarship in this college in order that he may take up another Government scholarship in the Electrical Engineering College, Bombay. I have refused permission to this student to resign his seat in this college.

2. In making application to be selected here he made no mention whatever that he had also applied for, or of the likelihood of his obtaining another scholarship in which case if successful he would want to resign this college. He signed the "bond" in the usual course and has drawn the Government stipend of Rs. 10 per mensem since January 1st, 1915.

3. The student's attitude in this matter simply amounts to making a convenience of Government and of this college for as long as it suits him. He does not at all consider the inconvenience caused to this college in having a class which is made up "broken" in the middle of the year by such cases as his own.

4. Personally I consider the principle of students being allowed to keep their application for one Government scholarship active, after having been granted and having accepted another Government scholarship is most undesirable and the action on the part of the student not very honourable. I strongly request the Board to support my views on this matter and to take necessary steps to prevent the applicant from taking advantage of the scholarship for Electrical Engineering which has been granted to him.

(ii)

Letter—from M. H. KRISHNASWAMI, 13, Tope Venkatachala Mudali Street, Triplicane, Madras.
To—the Director of Industries, Madras.
Dated—the 16th June 1915.

I am in receipt of your letter, dated 14th June 1915. I went to Bombay a week back and I returned only yesterday morning. My object in having gone there so very earlier was to get an idea of the Institute I wished to join previously. Of course it is a well-known fact that there are not many openings for an Electrician in Madras Presidency. It was only with the hope of getting at least entertained in the Public Works Department, Bombay, in a decently good position that I entered upon the project of studying at the Technical Institute. On personally enquiring some of the old students of the Institution who are now employed and also from some of the prominent advisers there I came to understand that the prospects for an Electrician either in the Bombay or in the Madras Presidency are not inviting. Further I found that the standard of education with which the Institute authorities start the Electrical Engineering course to be too elementary for a student who passed the Intermediate examination of this University and has completed a year's course in the B.A. Further I was assured that the course could not in any way be abridged for students possessing high educational qualifications. Under these circumstances I was forced to give up my idea of studying at the Institute. So I sincerely request you to kindly excuse me for the trouble I might have given you in this connection and I wish to have an early reply as to the cancellation of the bond.

Hoping you will oblige, etc.

II

Letter—from K. T. B. TRESSLER, Esq., Director of Industries.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 22nd June 1915.
No.—E. 46.

Further to my letter No. E-46, dated 17th June 1915, I have the honour to submit herewith the bond executed by T. S. Ramayya. He reports that he has joined the Victoria Technical Institute, Bombay, in the Electrical Engineering branch and requests an early remittance of Rs. 120 so as to enable him to meet his initial expenditure including the purchase of books and instruments. As the bond appears to furnish ample security, I recommend that the first month's scholarship of Rs. 30 plus an advance of Rs. 50 may be paid to the candidate through the Principal. If Government approve the proposal, the Accountant-General may be requested to disburse the amount at an early date. As fees, etc., become due at the beginning of the month, the monthly scholarship allowance should also be payable in advance and I request also that the Accountant-General may be addressed in this sense.

Order—No. 717, Educational, dated 2nd July 1915.

In the circumstances reported by the Director of Industries, the scholarships granted to M. H. Krishnaswami and K. Narayanaswami in G.O. No. 585, Educational, dated the 2nd June 1915, will be cancelled.

2. The Government of Bombay will be requested to arrange for the payment to T. S. Ramayya of an advance of Rs. 50 to be deducted in ten instalments beginning with the month after that in which the payment is made and also for the payment to him of the scholarship allowance of Rs. 30 per mensem at the beginning of every month for which the allowance is due.

3. The bond will be forwarded to the Curator, Madras Record office, for safe custody.

” ” ” the 22nd June 1915, No. E. 46.

In the circumstances stated by the Director of Industries the scholarship awarded to M. H. Krishnaswami and K. Narayanaswami may be cancelled.

2. As regards the payment of the scholarship allowance to T. S. Ramayya who is said to have joined the Bombay institute and executed the bond for the refund of the amount drawn by him in the event of his forfeiting the scholarship, the proper procedure appears to be to address the Government of Bombay and request them to arrange for the payment of the scholarship. For cases in which scholarships awarded by other Governments were paid by this Government to pupils studying in the institutions in this Presidency, please see G.O. Nos. 82-83, Educational, dated the 3rd February 1913, and 1154-54-A, Educational, dated the 5th December 1913.

3. A draft order and letter are submitted for approval.

4. There appears to be no objection to the payment of an advance of Rs. 50 as recommended by Mr. Tressler. It may, however, be recovered in six instalments.

I have made it ten instalments.

P.R.—30-6-15.

If the candidate finds it difficult to refund the amount in six instalments, he will, of course, apply to the Government for an increase in the number of instalments.
