2. The present staff of the school consists of four teachers on Rs.14, 12, and 2(10). The Inspectress considers that this staff is quite inadequate to manage seven classes with a strength of 152 pupils as shown in the margin and that

can

two more teachers on Rs.20 and 15 are absolutely necessary. I agree with the Inspectress in thinking that the employment of two additional teachers is necessary in view of the efficient working of the institution, but consider that their pay may be fixed at Rs.15 and 12. I may mention that it is very necessary that the pay of the teacher of fifth and sixth standards should be Rs.15 at least and that of the second standard Rs.12 and that the Inspectress has repeatedly pointed out the difficulty of securing the services of intelligent ^{and} certificated teachers for Rs.10.

3. The extra charge during the current year will be Rs.216/- and I shall submit the necessary reappropriation statement on receipt of the Civil Budget Estimates.

I have the honour to be,
