/The Accountant General/

Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government for the employment for a period of nine months from 1st July next of an additional Assistant on Rs.60 per mensem in the Government Secondary Training School, Calicut.

(K) 2/ The present staff of the school is represented by a single teacher in the cadre of Sub-Assistant. Under the scheme for the reorganization of training schools a staff of two teachers in the cadre of Sub-Assistant besides a Drawing master and a gymnastic Instructor has been provided

for all the secondary Training schools except those at Calicut and Mangalore for which a single teacher was considered sufficient in view of the admissions being restricted to 10 and 5 students respectively.

3 The Inspector of European and Training Schools now reports that there is a great demand for the training of secondary teachers at Calicut, as many as 21 students having already applied for admission in July next, and

requests sanction for increasing the number of stipendiaries from 10 to 21 and for employing an additional Assistant in the school from July next.

4 I beg to support the Inspector's proposal. The temporary assistant should, I think, be allowed a salary of Rs.60 if not the pay of a probationary Sub-Assistant Inspector in order to secure the services of an experienced L.T.

5 The extra charge during the current year will be met from anticipated savings under the provision made for Training schools in the current year's budget.

I have the honour to be,

S i r,

Your most obedient servant,

G. H. S. S. S.

for Director of Public Instruction.

stipendiaries will draw
