From (Name) G.F. Paddison Esq., M.A., I.C.S.,
(Designation) Dt. Magistrate of Madura.

To the Secretary to the Government of Madras,
Educational Department

Sir,

In forwarding herewith a letter from the Superintendent, St. George's Homes, Kodaikanal, I have the honour to request instructions whether I should sign the certificates or whether I should ask the Secretary to get certificates from the Magistrates of the district from which the child came. There may be difficulties in this respect especially in cases where the children, before they were admitted into the orphanage, were roaming wild about the streets and could not be said to have European habits of life: in fact they had no habits at all: and it is for this very reason that they were brought into the St. George's Homes. I request orders whether I am competent to sign certificates after enquiry, as the phrase "the district to which the child

belongs is rather ambiguous.

I have the honour to be,

Sir,

Your most obedient servant,

S. Amudhi

Madura

Sir,

I have the honour to submit the following statement and questions. We are daily expecting to hear from the Education Department that the St. George's Homes' school has been recognised and we shall then be in a position to apply for grants for destitute children. We have a number of children in these Homes who are quite destitute and are absolutely dependent upon the Homes for existence.

1. Four of them, of European parentage, before they came to us were not being brought up under European habits of life and therefore they were not entitled to receive grants for destitute children. As their habits of life are now European may we apply to you for destitute certificate for them?

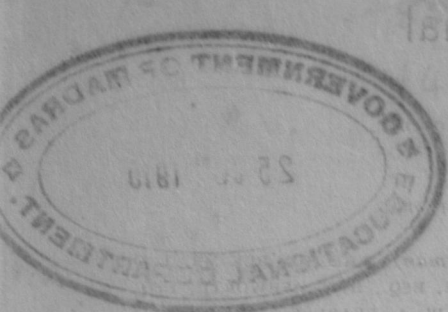

2. Another boy's father, who was since died, contributed four rupees a month towards his support. The boy is now destitute.

3. Another English boy whose father and mother are dead was brought up in Mrs. Firth's Orphanage in Madras.

4. Six children, quite destitute were sent to us by the F.I.N.S., Madras.

5. A little English boy, whose mother has been in Maternity Hospital, Madras for a considerable time, has also been admitted.

6. Two lads, quite destitute were sent to us from Bangalore

by a Missionary who resides there.

7. Two other fatherless lads were sent by Missionaries from Coconada.

I have the honour to request if you will kindly let me know if I may make declarations about these children to you and whether you will then be able to sign destitute certificates for them.

I have the honour to be,

Sir,

Your most obedient servant,

J. Brecken
