Station Madras, Dated the 8th June 1915

From (Name) The Hon'ble Mr. H.S. Duncan, M.A.,

(Designation) Ag. Director of Pub. Instruction.

To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir, (Through the Accountant - General).

In their order No. 856 Educational, dated 20th July
1914 Government sanctioned the employment of an additional
teacher on Rs. 10/- per mensem in the Government Girls' School,
Erode, for a period of ten months from the date of entertain-
ment of the teacher. The Inspectress of Girls' Schools
reports that the sanction accorded in the above order will
cease with the 13th August 1915 and requests sanction for the
continuance of the post from 14th August 1915 to 31st March
1916. I have the honour accordingly to recommend that Govern-
ment may be pleased to sanction the further retention of the
teacher until the 31st March 1916. The necessary provision

for the charge exists in the current year's budget.

2. In this connection the Inspectress reports that the

strength of the school which was 222 on the 1st April 1914 has now risen to 299 as noted in the margin and that the employment of an additional teacher on Rs. 15/- has become an absolute necessity. The present staff of the school consists of eight teachers on Rs. 40, 30, 25, 20, 15, 12 and 2 (10) besides the temporary teacher on Rs. 10/- referred to in

para 1 supra, and it is stated that the first standard has to work in two sections and the infant in three sections, and that the work of these five sections, which have a total strength of 204 pupils cannot continue to be managed by four teachers, viz., the assistant on Rs. 12/- and the last three assistants on Rs. 10/- including the present temporary assistant.

(1) I am convinced of the necessity for the employment of an additional teacher to be in charge of the second section of the first standard consisting of 40 pupils and for the payment to her of a salary of at least Rs. 12/- per mensem the pay, which the present teacher of that standard has been in receipt of. I beg accordingly to request that you will be so good as to obtain the sanction of Government for the employment for a period of ten months from the 1st July next of an additional teacher on Rs. 12/- per mensem in the school.

(2) The extra charge during the current year will be Rs. 96/- and I shall submit the necessary re-appropriation statement on receipt of the Civil Budget Estimates and provide for the salary of the teacher for March and April 1916 in the Budget

Register No. 2146 Edl.

The Director's proposal for the retention till the 31st March 1916 of the temporary teacher on Rs 10 p.m. may, it is submitted, be at once sanctioned.

2 In regard to the second proposal, viz, the employment, for a period of ten months, of an additional teacher on Rs 12 p.m. it will be observed that the strength of the school which stood at 226 at the time of the last addition made to its teaching staff ~~of~~ has since risen to 299 and that ^{about} half of the increase occurred in the first standard which as a result had to be divided into two sections. Thus, the employment of an additional teacher seems to be a necessity and the pay proposed is also reasonable.
