Thro' the Secretary to the Government of Madras, Local and
Municipal Department.

Sir,

I have the honour to forward a petition from -----
A. P. Sequeira, permanent clerk on Rs. 20-1-25 in the Dis-
trict Board's office, praying for exemption from the School
Final Examination and for permission to appear for Special
Test Examinations.

The petitioner is the son of a retired Tahsildar of
this district and as explained in his petition, he had to -
give up his studies at a critical time owing to his father's
pecuniary embarrassment. He has good manners, appears --
intelligent and his knowledge of English seems to be -----

superior to that of an ordinary Matriculate. Under an arrangement made by my predecessor, he is at present working in the --- Record Branch of the Collector's office.

In the somewhat special circumstances, of his case, I recommend that, if possible, he may be shown some consideration.

I have the honour to be,

Sir,

Your most obedient servant,

P. M. Singh

Mangalore,
22nd June 1915.

From

A. P. Sequeira,

Clerk, District Board, South Canara,

(Working in the Collector's Office).

To

The Secretary to Government

Educational Department,

Madras. (Camp Ootacamund).

Through the President, District Board and the Collector of South Canara.

Sir,

I humbly beg to submit this application for exemption from passing the School Final Examination and consequent permission to appear for the Government Special Test Examinations open to those who have passed the School Final Examination. I beg to bring forward for your kind consideration the following special circumstances:-

1. I am a Record clerk and Typist in the District Board of South Canara and am now working on other duty in the Collector's office. I have studied up to the Matriculation class. I left school in 1908 while in that class on account of an unexpected and severe pecuniary difficulty. At this time my father had retired from Government service as a Tahsildar took up a Government contract at Udupi and failed to the extent of Rupees six thousand of which Rupees five thousand and odd was made good by the Government as a special case in 1911, about 3 years ago. Meanwhile, circumstances at home looked very gloomy, and, therefore, with a view to contribute my mite to the family resource, I left for Bombay. But that climate did not agree with me.

so I returned to Mangalore. Soon after, I joined the Collector's office where I still continue on a pay of Rupees twenty.

2. Sir, I have thus got a footing in the District Board office but if I am not exempted from passing the School Final course or the old Matriculation Examination my prospects are barred for ever. A kind perusal of the copies of testimonials from Rev. Fr. Paul Perini, S.J. a quondam Rector and Principal and Rev. Fr. C. Ghezzi, S.J. B.A. F.M.U. the then Principal of the St. Aloysius' College, Mangalore (which is my Alma Mater), enclosed herein will result in showing that the standard of my knowledge in English and other subjects is at least as good as that of a Matriculate and even higher. Moreover I have passed the Elementary Grade in - Shorthand and Typewriting (Madras Government Technical Examination) I once even thought of joining school and passing my School Final Examination; but as my age is 26 and as I am a married man, this is not feasible.

3. I belong to a respectable family, being the son of Mr. A. Sequeira, Retired Tahsildar and an Honorary Bench Magistrate for the town of Mangalore. There is no one in Government service to represent my father who served in the Revenue Department long and faithfully and whose services were even acknowledged by Government on several occasions. In this connection, speaking about my respectability, I beg to submit that two Civilian Officers now holding high positions in the Madras Government have certified thereto by giving personal letters of introduction to the Military Secretary to H.E. the Governor of Madras which have been officially returned by him at my request.

4. In these circumstances I respectfully beg to request that you will be pleased to obtain the sanction of Government for -

15/10/15

exempting me from passing the School Final or the old Matric - examination.

5. As regards my conduct I beg to say that I have given satisfaction to all my superiors as will be seen from the copies of certificates enclosed herein.

6. In conclusion I humbly pray that my application may be favourably considered.

I beg to remain,

Sir,

Your most obedient servant,

St. Aloysius' College Certificate.

This is to certify that Aloysius P. Sequeira who was reading in the Matriculation class from the beginning of this year has been a pupil of this College for the last eight years. His conduct and application have been very good.

Mangalore, dated May 30 1908.

Principal.

Letter from Rev. Fr. Paul Perini, S.J. Principal and Rector, St. Aloysius' College now the Bishop of Mangalore, dated 5th December 1909, recommending me for a post in the Collector's office.

I have much pleasure in recommending Aloysius P. Sequeira for employment in the Collector's office, Mangalore. Mr. Sequeira has been a student of this College for eight years and I always found him a steady, well behaved and diligent young man. Though he did not pass the Matriculation examination, his knowledge of English and other subjects is as good as that of the average Matriculate. Mr. Sequeira is, in my opinion, quite fit for ordinary clerical work.

A note was made on the 19th of January 1915, by M. E. Couchman, Esq., I.C.S., Collector of South Canara on my application for a post in the Accounts Branch that the Treasury Dy. Collector may consider my claims while making proposals to fill up the vacancy.

Extract from a letter from Mr. R. Ormsby, Attorney for the Eastern Development Corporation, Ltd, South Canara, dated 14th September 1913.

I have found you Honest, straightforward, truthful and industrious. I would always trust you in confidential matters and can thoroughly recommend you in every way.

This is to certify that Mr. A.P. Sequeira was employed as a clerk and typist in the temporary establishment of this office for about 8 months. He performed the duties assigned to him with care and intelligence, and his conduct was good. Owing to ill health caused by Malaria, he was obliged to leave Bombay; otherwise it is probable that he would eventually have been promoted to the permanent staff.

to certify as to educational qualifications. He was studying----
here in the Matriculation Class, and since leaving school he ---
has been doing good work in various places; and his attainments--
especially in English are in my opinion ^{above} the Matric Standard. His
conduct was always very satisfactory. I should be very glad to--

Mangalore, 10th January 1913.

A. P. Sequeira, son of Retired Tahsildar Mr. M. A.-----
Sequeira, went through the Matriculation Course in this College.
Family circumstances prevented him from appearing for the -----
Matric Examination and from prosecuting his studies. I have---
known him for many years. He is a uniformly diligent and well---
behaved youth. In my opinion his educational attainments are---
quite up to, and in English at least, above the Matric Standard.
I should therefore be much pleased to hear that he is granted --
exemption from the Examination Rules and allowed to appear for
the Special Test Examination.
