From (Name) The Hon'ble Mr. H.S. Duncan, M.A.,

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,

Educational Department.

Sir,

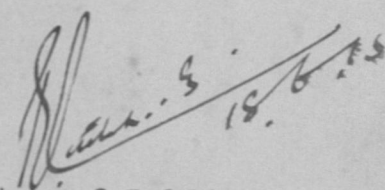

The Inspectress of Girls' Schools, Central Circle, reports that it is no longer possible to locate both the Training Section and the High School Department of the Model Section attached to the Government Secondary and Training School, Triplicane, in the present building in Tholasinga-perumal Koil street, as it is too small to accommodate about 400 pupils and the students undergoing training. She therefore proposes to separate the Training Section from the High School and to locate the latter in another building. The High School Department including classes from standard IV to Form V will be removed to the building previously occupied

by the school in Big Street, Triplicane, and the Training Department including Secondary, Higher and Lower Elementary together with classes Infant to III will be retained in the present building in Tholasingaperumal Koil street. A monthly rental of Rs.140/- is demanded for the building in Big Street. As the Inspectress reports that it is not possible at present to find another building for the school in close proximity to the house now occupied, I have the honour to request the sanction of Government for the payment of this rent with effect from 1st July 1915, in addition to the rent of Rs.150/- per mensem sanctioned for the school in G.O.No. 967 Mis., Edl., dated 23rd October 1913. I am instructing the Inspectress to take the house on a year's lease with a covenant for renewal if necessary, and to take steps to secure if possible a cheaper building in the meantime. The additional allotment required will be provided by re-appropriating funds from other sources.

I have the honour to be,

S i r,

Your most obedient servant,

for Director of Public Instruction.

The D. P. I should not, I sub-
mit, have anticipated the
sanction of Govt. in this matter.

We are paying ~~Rs 150~~ Rs 150
for the present building
and will have to pay another
Rs 140 for the second building.
Rs 290 a month appears to
be rather a large sum to
have to pay. The mischief is
however done, but I think
Govt. should stipulate that this
additional building should
not without the special sanction
of Govt. be rented for another
year. It should be possible to
make more economical ar-
rangements. I also think that
the D.P.I should be told that he
should not have anticipated
the sanction of Govt. If it was
necessary to rent an additional
building from the 1st July
the D.P.I or the Inspectors
should have moved in the
matter earlier.

I agree. It was not a case where sanction could not have been got beforehand. Sales suggest that Ednot should call on the D.P.I. to report whether no cheaper arrangement is possible as the rental comes to so high a figure. I presume that the cost will be met by reappropriation.

Yes. So the D.P.I. says.
