To The Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to forward for the favourable
consideration of the Government, a petition received
from M. Bahauddin Sahib, Tahsil dar 4th Grade, praying for
permission to appear for the Criminal Judicial Test,
Higher Grade during the years 1915 and 1916.

2. The petitioner was, for the first time, exempted
from the Examination Rules to enable him to appear
for the Test in the years 1911 and 1912, in G.O. No.
466-Educational, dated 9-8-10, his circumstances pre-
vented him from availing himself of the concession
granted to him. On a representation of the circum-
stances of his case made in this office letter D.Dis.
4665, dated 23-11-12, the Government were, in their
order No. 1104-Misc., (Educational) dated 11-12-12

pleased to permit him again to appear for the test in 1913 and 1914. But he lost both these chances also. In 1913, he was unable to appear for the examination on account of the ill-health of his aunt and of his wife who eventually died. In 1914, he applied for the examination but did not attend it as he had an attack of diarrhoea during his tour in cholera and plague infected villages just a few days before the examination.

3. In the above circumstances, and in view of the fact that he is the only Mahomedan Tahsil dar in this district, I request that the Government will be pleased to view his case favourably and grant him another extension for two years.

I have the honour to be,

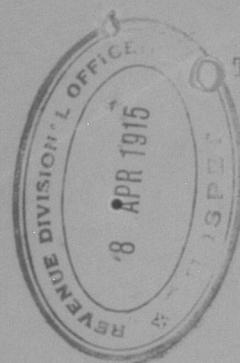

Sir,

Your most obedient servant,

S. S. S. S. S.

The Sub Collector of

H O S P E T.

Honoured Sir,

The petition of Mahammad Bahuddin Sahib Bijapur, IV grade Tahsildar on R. 175/- most respectfully sheweth:-

That the Government was pleased to permit the petitioner to appear for criminal Judicial Test Higher Grade in 1911-1912. But owing to circumstances beyond his control as explained in his petition of 1912 he lost both the chances. There upon the Government was pleased to permit the petitioner to appear for the examinations in October 1913-1914 in G. O. No. 1104 D Mis. Educational dated 11th December 1912 communicated with Collector's D.Dis. No. 5029 dated 17-12-12.

The petitioner joined the Hadagali Taluk in October 1913. On account of the ill health of his aunt at Karur and the ill health of his wife who was pregnant and (who eventually died) the petitioner was unable to appear for the examination.

Then again in 1914 the petitioner applied for the examination. He had to go on tour in different parts of the taluk for inspection work and on account of plague. He also held War-Fund meetings in the villages visited in the Taluk. The examination had to come off on the 23rd October 1914. The

petitioner

petitioner then had an attack of diarrhoea in his tour in the cholera and plague infected villages, so he returned to Head Quarters for medical aid. The Sub Assistant Surgeon Hadagali treated the petitioner from 22nd October 1914 and advised him not to go to Cholera and Plague infected ~~areas~~ places. These facts were duly reported to the Sub Collector and a copy of the Medical certificate was also sent. As cholera fever and plague were very severe at Bellary at the time the medical officer advised him not to proceed to Bellary in such a state of health. Thus the petitioner lost the only chance of 1914 also.

The petitioner has put in a service of 23 years of which he had been on R. 150/- ~~from~~ from October 1910 i.e., for 4½ years. He is ^{now} confirmed on R. 175/-.

In view of the above mentioned circumstances and in consideration of the fact that he is the only Muhammadan Tahsildar in the District and that he belongs to a respectable Muhammadan community of Anantapur a district which is backward in education, the petitioner humbly prays that he may be recommended to the Government to grant extension of time for 2 more years to appear for the examination which he is most anxious to pass. Had it not been for the various obstacles that came in his way on each of the previous occasions as stated above to attend the examination, the humble petitioner would have felt no difficulty in securing a pass in proof of which the enclosed list of examinations passed is an evidence.

In the end the petitioner begs leave to state that his character has all along been good and that he has done ~~an~~ honest and devoted service about which the credentials bear testimony and it is not in his province to say.

For ~~the~~ above act of favour the petitioner seeks, he feels bound to be thankful and ever grateful.

The petitioner most respectfully

begs to remain,

Mr. Babubdin Sahib Bhatnagar served under me as Head Accountant and for some time. I found him very hard working and full of a high sense for duty. His intelligence and experience of business enabled him to be very useful to me and he kept the office in good order. I never heard any complaints against his character and placed great confidence in him consequently. When he left me I was indeed very sorry to lose him. there being no College then at Bellary, (please vide copy marked B) . But owing to the domestic calamities and the

loss of his uncle and grand father who were the main supporters in the costly studies in Madras he had to discontinue his College studies. However he studied for the F. A. Examination privately being employed as a teacher for some time, but 4 years time was required to appear privately for the F. A. Examination after passing the Matriculation Examination, so he could not then appear for the Examination

4. That, after entering the Public service, he had made attempts to appear for and pass the F. A. Examination once in 1903 but since he was acting as Huzur Treasurer in Anantapur District in that year, he had to devote much of his leisure hours to the preparation of new Stock Registers of forms which were then in a state of chaos. Hence he was not able to appear for the Examination. (Please vide extracts marked C & D). The year, 1909 being the last chance for the F. A. Examination, he applied for the Examination in that year. Owing to the appointment as Probationary Sub Magistrate in Bellary District (in which appointment the memorialist was eventually confirmed) he could not apply for and take long leave. So he devoted his leisure hours (both day and night) for the study of the Examination, took casual leave and went up to Madras to appear for the Examination, where to his great misfortune he was taken ill of fever and could not attend the Examination. This fact is mentioned to show that though only a Matriculate he has studied the subjects prescribed for the F.A. Examination.

5. That the new University Regulations do not permit private candidates to appear for and pass the Intermediate Examination, and hence the memorialist could not make any further attempts to appear for and pass that Examination with a view to qualify himself to appear for Criminal Judicial Test Higher grade which is open to the F.As and the Intermediate

To

J. H. Robertson, Esquire, I. C. S.,
Collector of Bellary.

Through,

The Divisional Officer,
RAYADRUG.

Most Honoured Sir,

The petitioner M. Bahuddin Sahib, acting
Tahsildar of Rayadug most respectfully sheweth:--

2. That the Government was pleased to permit the petitioner to appear for Criminal Judicial Test Higher grade in 1911 and 1912, but owing to the serious accident by a fall from a jatka while the petitioner was returning to Harapanahalli after inspection of passport work and etc., on Harihar road in Plague season in the 1st week of October 1911, the petitioner was disabled to touch any book as there was concussion of brain. Thus he lost the chance of 1911.

3. That this year the petitioner applied for and obtained leave from 21-7-1912 for the purpose of study but owing to the most unfortunate circumstances in which he was placed. Besides guneworm from which the petitioner suffered there was a severe outbreak of cholera at Anantapur his residence which continued for over a month.

During this epidemic many of his relations succumbed to the disease. The petitioner had an attack of diarrhea and had to take particular care of his health. Thus his studies were neglected. The petitioner was troubled both in mind and body. The guenaworm was so bad that it made him bedridden for a number of days. When he had to join his appointment at Rayadrug he was not cured of the wound. Besides his own illness four of his children were bed-ridden. Just on the 10th of this month the petitioner's Father-in-law whose act of charities and loyalty to the British Government have been recognised by Government by granting certificate of honour and by conferring title of "Khan Sahib" on one of his sons breathed his last. This as well as the death of his aunt from cholera and the illness of his children have told much upon his health and constitution. In spite of all these difficulties and the heavy pressure of official work which the petitioner did zealously and devotedly as can be seen from the marginally noted remarks of the Divisional Officer about his work in connection with the breach of Kanekal Tank, he worked extra hours late in the nights and went up to the examination on the 23rd instant. As the petitioner's son was so very bad

and bed-ridden and as there were none to look after him at Rayadrug he took him to Bellary. On account of constant attendance on the boy and sleeplessness his health suffered much, and there was a severe attack of diarrhea on the 24th instant. In spite of medical treatment there was no immediate relief. Hence the petitioner could not attend the examination on the 25th instant. Thus he lost the chance of 1912 also.

4. In these circumstances the petitioner humbly prays that your honour will ^{be} graciously pleased to recommend him to the Government for an extension of two years more to permit him to appear for Criminal Judicial Test Higher grade.

5. In the end the petitioner begs leave to state that he has served for nearly two years as Tahsildar in addition to nearly 18 years' service in the lower grade as set forth in the memorial of 2-7-1910. (a copy of which is submitted) and has done honest and devoted service about which the credentials bear testimony and it is not his province to say.

For this gracious and generous act of favour which the petitioner seeks at your honour's generous

hands

(D)

Under note (7) to art. 4 of the special tests Regulations the Board can permit Candidates to appear for the Criminal Judicial test, higher grade, for three years. Mr. Bahadur Sahib, the applicant in the present case, had four chances already and ^{apparently} on that ground the application is submitted to the Govt.

2. Ordinarily only two chances are given to unqualified Candidates wishing to appear for the special tests, seeing that the applicant already has had four chances it is for consideration whether he may be given any more chance and if he may, for how many years. The remarks of the Revenue Dept. may be obtained C.O. at the first instance.
