[Despatch Abstract.]

Examinations declining to recognise the Certificate granted by Cann's Phonetic School in Bengal for purpose of admission to the public service in the Madras Presidency.

Exl CN. 623

20/2/5

To

Right Honourable the Governor of,
Madras and its dependencies, Fort St. George,
M A D R A S.

The Humble Memorial of Karini Bajarao, now a resident of
Bhapur, Berhampore Ganjam District, most respectfully sheweth
as follows:-

1. In Bengal the Local Government have recognised the
Cann's Fonetik Skool, 73 Bow Bazaar, Calcutta as a Type-writing
and Phonetic Institution and candidates declared by the - -
Institution as competent in the Art are admitted into the - -
Public Service without any other Examination (vide page 4 -
of the Pamphlat of the Cann's Fonetik Skool enclosed for -
perusal and return).

2. The memorialist is a type-writing candidate who has
had training in the Institution and holds a certificate - -
therefore as being competent to type at the rate of 25 words
a minute (vide copy of certificate enclosed).

3. In the Madras Presidency there is no such Institution
and for people of Ganjam, training in Madras is more costly -
than in CALCUTTA both in point of journey owing to distance,
and in point of expense.

4. The Madras Government on the representation of the -
Uriya Community here (Ganjam) have declared that the Bengal
Entrance Examination (now the Bengal Matriculation Examination)
is equal to the late Madras Matriculation Examination or the
present School Final Examination; and thereby ordered that
such candidates may be admitted into the Public Service.

5. The memorialist most respectfully prays that Your
Excellency's Government may be kindly pleased to likewise
declare that candidates holding Cann's Fonetik Skool cer-
tificate as a Typist or Shorthand Writer may be admitted.

grant Your Excellency's Humble Memorialist concession for
admission into the Public Service in this Presidency.

how to display business letters and take carbon copies. -
He seems to be an intelligent young man of good parts and -
I shall be glad to hear of his success in file.

in accordance with Government notification, and the qualifications of candidates for particular appointments in the Madras Presidency have been fixed with regard to the requirements of the several offices and the nature and importance of the work. It accordingly appears to me that the recognition of tests conducted outside this province will result in the entertainment of men of inferior attainments, in Government Service.

(7)

I may mention that Government in their order, No. 620, Educational, dated 1st September 1908, refused to recognise the certificate granted by the National Union of Teachers, London, to Doraikannu Pillai, who had passed the Advanced examination in Type-writing conducted by that body, as equivalent to the corresponding grade of the Madras Technical Examinations. In that connection it was pointed out by the Commissioner for Government Examinations that the petitioner had failed thrice in his attempt to pass the Madras Intermediate examination.

1965
29

There seems to be no reason why the petitioner should not appear for the Madras Examination.

2. The current is herewith returned.

I have the honour to be,

S i r,

Your most obedient servant,

Ag. Commissioner.
