I

G.O. No. 736, Educational, dated 23rd June 1914.

ABSTRACT.—Sanctioning the proposal of the Director of Public Instruction to open a Government Training school for Muhammadans at Guntūr for a period of twenty months.

II

Letter—from the Hon'ble Mr. H. S. DUNCAN, M.A., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—Madras, the 28th June 1915.

No.—Ref. on Cur. 3196.

In their order No. 736, Educational, dated 23rd June 1914, Government sanctioned the opening of an elementary training school for Muhammadans at Guntūr for a period of 20 months from 1st September 1914 with the following staff :—

One headmaster	Rs.
One assistant (from July 15th)	75
One drawing and drill instructor	40
One peon (without grain compensation allowance)	30
	8

The Inspector of European and Training schools reports that there are now 30 students under training in the school and that 30 more are ready to undergo training in July next if fresh admissions are allowed. As a new batch of students will if admitted, remain in the school until 30th April 1917 and as the period for which the school has been sanctioned expires with the 30th April 1916, the Inspector requests sanction for the admission of another batch of students in July next and for the continuance of the school until the 30th April 1917. It is stated that no additional staff will be required on account of this batch and that the necessary provision has been included in the budget estimate for 1915-16 for the continuance of the class as well as for the training of 30 students from July, and also for the employment of the additional teacher on Rs. 40 already sanctioned. No extra cost will therefore be involved during the current year.

In these circumstances, I have the honour to request that you will be so good as to obtain the sanction of Government for the admission of a fresh batch of students in the school in July 1915 and for the continuance of the school during 1916-17.

If the proposal meets with the approval of Government, I shall include the necessary provision in the budget estimate for 1916-17.
