Approving the proposal of the Director of Public Instruction to institute a special — for the benefit of teachers who have failed in the Matriculation examination and are desirous of undergoing training of the secondary grade.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Mr. H. S. DUNCAN, M.A., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 13th July 1915.

No.—Ref. on Cur. 2113.

Under regulation 171 of the regulations of the University of Madras, persons who have failed in the Matriculation examination can ordinarily present themselves again for the examination only after attending a recognized school for a year. Headmasters will usually not admit such applicants. They furthermore cannot obtain a secondary school leaving certificate without repeating the whole of the high school course. These restrictions would appear to press harshly on some teachers by preventing them from improving their general educational qualifications in order that they may become eligible under rule 105 (ii) of the Madras Educational Rules to undergo training of the secondary grade. As it is desirable to have this restriction removed in the case of teachers, I have the honour to propose the institution of a public examination for the benefit of *bona fide* teachers who have failed in the Matriculation examination and who wish to improve their qualifications.

2. I herewith append a scheme for the contemplated public examination prepared by the Inspector of European and Training schools and as now modified, approved of by me.

3. A certificate showing the percentage of marks obtained by the candidate in the several subjects will be issued to him.

4. The examination will be held at the same time as and the question papers will be the same as those of the public examination under the secondary school leaving certificates scheme and the Secretary to the Commissioner for Government Examinations will conduct the examination and issue the necessary certificates.

5. Should the Government view with favour the above proposals, I have the honour to request that sanction may be accorded for the insertion of the following clause at the end of section (ii) of rule 105 of the Madras Educational Rules among qualifications for admission to secondary training schools or classes :—

“(3) Persons who have failed in the Matriculation examination but who have obtained the required percentage of marks in such subjects of the public examination under the secondary school leaving certificates scheme as are notified from time to time by the Director.”

6. The necessary notification is also submitted herewith in duplicate for favour of approval and publication in the *Fort St. George Gazette*.

Order—No. 820, Educational, dated 30th July 1915.

The Government approve the proposal of the Director of Public Instruction to institute a special examination for the benefit of teachers who have failed in the Matriculation examination and are desirous of undergoing training of the secondary grade. The draft notification submitted by him is approved. It will be published in the *Fort St. George Gazette* :—
