Station Madras, Dated the 3rd May 191⁵

From (Name) The Hon'ble Mr. H.S. Duncan, M.A.,
(Designation) AG. Director of Public Instruction.

To The Secretary to the Government of Madras,
Educational Department.
/Through the Accountant General/
Sir,

The staff of the Government Girls' School, Ranganaickspet, Nellore, consists of four permanent teachers on Rs.14, 12, and 2 temporary ones on Rs.30 and 10 (10) whose employment was sanctioned in G.O.No. 181 Edl., dated 19th February 1915. The Inspectress of Girls' Schools, Central Circle reports that the temporary post on Rs.10 could not be filled up as it has not been found possible to secure the services of a trained woman teacher for that pay and she suggests that instead of allowing the pay of the post to lapse the salary of one of the permanent posts on Rs.10 be raised to Rs.20 per mensem to facilitate the employment of a qualified mistress in the school on that salary.

2. The proposal which does not involve any extra cost commends itself to me as it is likely to enhance the efficiency of the staff, and I have the honour accordingly to recommend that instead of the two posts on Rs.10 (one temporary and the other permanent) in the school a post on Rs.20 per mensem. on the permanent staff be sanctioned from 1st June next. If the proposal is approved, the staff will consist of five teachers one on Rs.30 (temporary) and the rest on 20, 14, 12 and 10 (permanent).

3. I may add that a similar proposal was sanctioned for the Government Girls' school, Conjeevaram, in G.O.

SUBJECT. Revision of the scale of the teaching staff of the Govt. girls school, Ranganayakpet, Nellore.

Register No. 1647 Edl:

So recently as February last, the Government sanctioned the proposal of the D.P.S. to employ for one year in the two additional teachers on Rs 30/- and Rs 10/- per annum in the Govt. girls school, Ranganayakpet, Nellore, ^{and} ~~there~~ there were already four permanent teachers on Rs 14, 12, 10 and 10. It is now proposed to continue one of the ^{permanent} ~~two~~ appointments on Rs 10/- with the temporary post on Rs 10/- and to employ a permanent qualified mistress on Rs 20/-; and the reason assigned is that it had not been found possible to secure the services of a trained woman teacher for Rs 10/-. It is doubtful whether when application was made for the

employment of a temporary teacher
on Rs 10/- ^{in January last} it was expected that a trained
woman teacher would be obtained for that
pay. Further, if the present proposal is
sanctioned, there will be only five teachers
on the staff of the school, whereas six
were considered necessary in January
last - Vide Mr. Stone's letter ^{no} 11105, of the
16th January 1915. If five teachers will
suffice, it is for consideration whether
the temporary post on Rs 10/- ^{continuous} may not ^{be}
reverted, ^{for the present} and the question of the amalga-
tion of the two posts on Rs 10/- into one
on Rs 20/- be ^{taken up} ~~left deferred~~ for con-
sideration along with the ^{question of the} general question
reorganization of Govt. girls' schools now
pending with the Director. That officer
may be consulted w/o on this point.

2 The Banjareen case
quoted by the Director was treated as a
special case and was apparently not
intended to constitute a precedent - Vide
(I) note with G.O. No. 1024 Sd. d/ the 20th
Nov. 1912.

In making the present proposal it was thought that better work could be done by five qualified teachers on adequate pay than by a larger number of teachers on low rates of pay. Further, it is difficult to secure the services of qualified teachers for Rs 10.

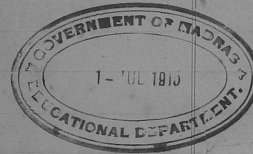

On a reconsideration of the matter I have come to the conclusion that it would be in the interests of the school to continue six teachers as originally proposed & to fix their salaries as follows—

Permanent - (15), (14), & 2 (12) = 56

Temporary - (30), & (12) = 42

The extra cost involved viz Rs 12 may be met by re-appropriation of funds, proposals for which will be submitted on next transaction.

The original proposal of the J. P. S. ~~Madras~~ involved no additional cost whereas the present proposals involve an additional cost of Rs 12 p. m. — Rs 10 permanent and Rs 2 temporary. The Director practically proposes a new scale of pay for the school which should properly be considered in connection with the general

general reorganization of girls' schools.
From the Director's current letter it will be seen that the present temporary post on Rs 10 could not be filled up as a suitable trained woman teacher was not available for that pay. To facilitate the employment of a qualified mistress at salary of Rs 18 p.m. would apparently be sufficient as this pay has now been proposed instead of Rs 20 originally proposed. ^{For when it is taken} ~~Submitted that, in~~ these circumstances, a temporary teacher on Rs 18 p.m. may be sanctioned in lieu of the present one on Rs 10 with the convenience of financial

(P. & quotes and draft order)

(This post is now vacant for want of a teacher for 1-2-1915)

The proposal is to employ a temporary teacher on Rs 18 p.w. in lieu of the temporary teacher on Rs 10 p.w. sanctioned in G.O. No. 181 D.L. of 19-2-1915 for a period of one year up to 31st January 1915 in the vacant girl school at Rangamayalpet, Kallakurichi.

Please see the letter of the D.P.I. on pp. 1-2 of C.F.; and the D.P.I.'s note of 28-6-1915 on p. 3 ante; It will be seen therefrom,

- (i) that the D.P.I. finds it difficult to secure a qualified woman teacher for the temporary appointment of Rs 10 sanctioned recently
- (ii) that the D.P.I. in his revised proposals has suggested a complete revision of the

pay of the staff in the school (permanent & temporary).

In so far as the permanent staff is concerned, Educational do not propose to sanction any revision, and this may be accepted.

As regards Temporary staff, the D.P.I. asked for 1(30) and 1(12) instead of 1(30) and 1(10) as sanctioned in February last; As, evidently, no difficulty seems to be anticipated by the D.P.I. in getting qualified teachers temporarily, on Rs 12 p.m., it is for orders whether the Educational dept may not be requested to adopt this rate of pay, instead of Rs 18 p.m.

The draft order will have to be modified with reference to orders on the above point.

There is now a permanent staff of 1 on 14, 1 on 12 and 2 on 10. The D.P.I. has found it difficult to recruit a temporary teacher on 10, but as in his order for speech he

suggest a temporary teacher on 12 there would appear to be no necessity to go as far as Rs 18. I suggest Rs 12/- for the consideration of Education Dept., but if they still think that Rs 18/- should be sanctioned - which I think might lead to dissatisfaction among the permanent staff - I shall take C. S.'s orders.
