From

THE HON'BLE MR. C. G. TODHUNTER, I.C.S.,

Acting Secretary to the Government of Madras,

Educational Department,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

DEPARTMENT OF EDUCATION.

Dated Ootacamund, the 2nd August 1915.

SIR,

I am directed to reply to your letter No. 1208 (Education), dated the 14th July 1915, in which you asked for certain information on the subject of the scheme for the establishment of a training college for teachers at Rajahmundry.

2. On the first point on which information is required, I am to say that it is intended to meet the extra expenditure from the general Provincial revenues and that the Government hope to be able to make provision for the purpose in the budget for 1916-17.

3. As regards the second point, I am to state that there is no accommodation for the college in the existing buildings occupied by the Model Secondary school and Secondary Training class and that a new building for the college has to be constructed. Plans and estimates for the same are under preparation, but it is not at present possible to furnish any definite figures as to the cost. Pending the construction of a new building, it is proposed to locate the college in a building adjacent to the existing school buildings, to be rented for the purpose.

I have the honour to be,

Sir,

Your most obedient servant,

C. G. TODHUNTER,
Acting Secretary to Government.

EDUCATIONAL DEPARTMENT.

With reference to the first point on which information is requested by the Government of India, it is submitted that there is no specific source from which the expenditure is to be met. It will have to be found only from the general Provincial revenues. It may also be noted that a lump provision of 30 lakh was actually inserted in the Civil Budget estimate for 1914-15* on the recommendation of the Finance Committee.

* Though a provision for the purpose was proposed by the Director of Public Instruction for the current year, it was not accepted as the scheme had not been sufficiently advanced.

2. As regards the second point, attention is solicited to paragraph 6 of the Director of Public Instruction's letter on page 4 of G.O. No. 496, Educational, dated the 7th May 1915, from which it will be seen that a new building for the college will have to be constructed and that pending its construction the college will be located in a neighbouring building to be rented for the purpose.

3. A draft reply to India is submitted for approval. If approved, it may be sent to Financial u.o. for acceptance.

FINANCIAL DEPARTMENT.

Point (i) in India's letter.—The Government of India ask for information as to the source from which the extra expenditure involved in the scheme for the establishment of a training college at Rajahmundry, submitted to India in this Government's letter No. 497, Educational, dated 7th May 1915, is to be met. In paragraph 5 of our letter, we stated that the new college would be started with effect from July 1916.

2. In Finance Department letter No. 1373-F., dated 12th September 1914 (G.O. No. 681, Financial, dated 25th September 1914), the Government of India have stated that, in submitting proposals involving additional expenditure, it should be stated whether provision has been made for the extra charge in the budget estimates for the year, and, if not, whether the charges can be met from savings in the existing grants.

The new College is to be started from July 1916 (paragraph 1, page 1 *ante*).

3. In the present case, as the scheme will be introduced only in 1916-17, it was considered unnecessary to make any order. The precise meaning of India's query is not therefore understood and the proposed reply (cf. paragraph 2 of the draft) that the extra expenditure will be met from the general Provincial revenues in paragraph 2 of the draft, the following

“that this Government hope to be
“able to make provision for the purpose

Submitted that there seems to be no objection to the alteration in paragraph 2 of the draft suggested by Financial. The object of mentioning in the draft that provision was made in 1914-15 was to let the Government of India know that no difficulty in regard to provision need be anticipated.

For orders whether the draft may issue.
