Ref. on Cur. No. 2935/12.

Station MADRAS, Dated the 24 5 MAY 1915

From (Name) The Honourable Mr. H. S. Duncan, M. A.
(Designation) As: Director of Public Instruction.

To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

In G. O. No. 593 Edl., dated 22nd May 1914, the Government have been pleased to sanction a grant not exceeding Rs. 38,625 towards the cost of constructing a hostel in connection with the Madrasa-e-Islamiah, Vaniyambadi. The Correspondent proposes to make certain alterations in the approved plan the details of which are explained in his letter dated 28th April 1915 (copy enclosed). The proposed alterations are estimated to cost Rs. 4,000/- and no additional grant is asked for on this account. I have the honour therefore to

Madras 28th April 1915.

Yakum Hasan Esquire,

Nazim and Correspondent

Madrasa-e-Islamiah, Vaniyambadi.

To

The Director of Public Instruction,

M A D R A S.

Sir,

I beg to hand you herewith 2 copies each of the front elevation and ground plan of the Madrasa-e-Islamiah Hostel, Vaniyambadi, and also a copy of the plan as originally approved by you. It is proposed to alter the facade of the building to give it more architectural character than what the original sketch ~~possessed~~ possessed. This alteration does not interfere with the ground plan except slightly in the two wings where the projection in front of them form of a bay has been changed into a square minaret at each corner. The two round spiral staircases have been removed and instead of them a stair case near the main entrance has been provided. It was also found necessary to enlarge the kitchen. This improvement and enlargement will cost about Rs. 400 extra which the management is prepared to bear without asking the Government for additional grant-in-aid.

I beg that you will kindly permit us to make the said alterations in the building now under construction.

I have the honour to be,

Sir,

Your most obedient servant,

(Sd) Yakub Hassan,

(True Copy)

For Director of Public Instruction.

S. V.

24.5.15

E. W. NOSE

342.8
23 July 15-

An estimate amounting to Rs.55,625.

for constructing a Hostel with Warden's quarters for the Islamiah Secondary School at Vaniyambadi, North Arcot District, was approved in G.O.No.593-Educational dated 22nd May 1914.

II. The Director of Public Instruction now submits through the Educational Department a revised Ground plan and an elevation showing certain alterations from the original designs, the chief of which are :-

- (1) Altering the facade of the building so as to produce a good architectural effect.
- (2) Providing one large convenient stair in one of the rooms adjoining the main entrance instead of two spiral stairs at the ends of the rear verandah.
- (3) Enlarging the kitchens and Stores.

III. The revised plans have been examined in the Chief Engineer's office.

~~and the following remarks are made thereon :-~~

It is considered that
The present proposal is from the sanitary point of view preferable to the original one (D.P.I.No.64) as, according to the former, the latrines and bath rooms are situated further away from the Dormitories and a larger open area is allowed between the main building and the out-houses than in the latter case.

~~There~~ There is no difference in the sizes of the rooms of the main building as shown in the revised plan from those indicated on D.P.I.No.84 with the exception of the slight modification in the front end rooms: and therefore the same "floor and roof timbers" as were approved in the latter case will ^{be suitable} ~~be suitable~~ for the former.

~~Although~~ Although the Kitchen and Store rooms are enlarged, the span of the roof in the revised plan is only $9\frac{1}{2}$ feet instead of 10 feet as contained in ~~D.P.I.No.84~~ D.P.I.No.84. The sizes of the roof timbers may therefore be the same as those originally approved, ^{but} ~~but~~, the bressummers round the open court yard and the valley rafters which would be provided in the original design should respectively be 4" x 7" and 3" x 5".

IV. The remarks contained in para. 2 of the Chief Engineer's Note No.81-D dated 8-5-1914 connected with the G.O. quoted in para I above, should be given effect to.

V. It is stated that the cost of these alterations amounts to about Rs.4,000. No additional grant ^{for this} ~~on this~~ has been asked for ~~as the~~ amount has been recommended as the

Page 2 of the
Grant (B)

~~same is not asked for.~~

VI. Subject to the remarks made above, the proposals contained in the revised plans now submitted, are recommended for approval.
