From (Name) The Hon'ble Mr. H. S. Duncan, M.A.,

(Designation) Ag. Director of Public Instruction,
Madras.

To The Secretary to the Government of Madras,

Educational Department.
(through the Accountant-General)

Sir,

I have the honour to address Government on the subject of providing certain officers of this department with lantern slides illustrating the present war in Europe.

2. Many war slides have of late been published in England and are being used with excellent results to encourage recruiting, to explain the causes and issues involved in the present war and to raise money for the various relief funds that have been formed. Such slides would be very useful in schools and colleges to illustrate to pupils and students the realities of the present conflict and to bring home to people

al

people the scenes that can be conveyed very inadequately in words. The slides may also be used where feasible for the delivery of public lectures.

3. All Inspectors, Inspectresses, Assistant Inspectors and Heads of Training institutions (68 in all) have been provided with optical lanterns and slides on certain subjects and it would be well if sets of war slides were also supplied to them. The slides will be lent to aided institutions, when required. A sum of about Rs. 6,000/- is required for their purchase including freight. There is, however, no provision in the current year's budget to meet this charge, but the cost may be met by re-appropriation.

(L) 4. In this connection reference is solicited to G. O. No. 674 Mis., dated 21st June 1915 sanctioning the purchase of 30 sets of slides from the Educational Supply Association, Lahore, illustrative of lessons on tropical Hygiene. A sum of about Rs. 700/- inclusive of packing and other charges will be required for this purpose for which there is no provision in the budget of the current year.

5. I have the honour to request that an amount of Rs. 6,700/- may be transferred from the provision under "22 C. Education Grants-in-Aid, Grants for furniture, apparatus and other special objects" to "22 B Education - Inspection - Supplies and Services, Lantern and Slides for Inspecting Officers" in the current year's budget. A re-appropriation statement is herewith submitted.

I have the honour to be,

Sir,

Your most obedient servant,

For Director of Public Instruction.
