/Through The Accountant-General/
Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government for the opening of a sixth standard in the Model school attached to the Government Training School for masters, Rayachoti, with effect from the 1st August next and for the employment for a period of ten months from that date of an additional

teacher on Rs.35 plus a local allowance of Rs.7 per mensem.

2. In their order No. 95 Edl., dated 22nd January 1914 Government sanctioned the proposal to open a fifth standard

The Headmaster in the model school in the elementary school containing seven standards gets a pay of Rs 50

in the school for a period of two years from the 15th January 1914 and employ an additional teacher on Rs.30 plus a local allowance of Rs.6 per mensem. The total strength of the school in April 1915 is reported to have been 160 as shown in the margin, and it will be observed from the number on the rolls of the 5th standard that nearly 12

Fifth Standard	12	pupils might be expected to
Fourth "	27	join the sixth standard if one

opening of a sixth standard in the school and Mr. Stone has left a note favouring the proposal.

The proposal which is also recommended by the Inspector of European and Training Schools commends itself to me and may, I think, be given a trial.

3. I do not propose to submit herewith the necessary reappropriation statement pointing out the source from which the extra charge can be met, as the expenditure can be covered by the total allotment under "22 F. Government schools, special - Training schools for masters - salaries" in the current year's budget.

I have the honour to be,

Sir,

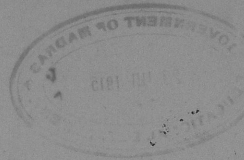

Your most obedient servant,

B. K. K. K.

For the A.S.

The addl. teacher proposed for the Model School attached to the Govt. Training School for Masters, Rayachoti, corresponds to the first assistants in model schools attached to Govt. Higher Elementary Training schools for Masters each of which contains seven standards. The pay of first assistants in these schools is Rs 40 p.m.; the first assistant in the model school attached to the Training school for Masters, Bellary, draws in addition a local allowance of Rs. 8 p.m. The emoluments proposed for the addl. teacher for the Rayachoti school in the present file (Rs 35 + a local allowance of Rs 7 p.m.) is not therefore excessive and may be agreed to.

2. The addl. cost involved is Rs 420. Of this sum Rs 294 will be incurred during the current financial year. The draft order may be accepted.

The Object of granting this increase in emoluments is to obtain qualified teachers in these localities where the ordinary rates of pay were considered inadequate by the D. P. J. to secure and retain such teachers; and to facilitate transference the transfer of these teachers between these places and others the increase was given in the shape of local allowances.
