To

The Secretary to the Government,  
Educational Department,  
M A D R A S .

Through

The District and Sessions Judge,  
Vizagapatam.

The humble petition submitted by D. Jagannayukulu, in obedience to the endorsements Nos. 778P and 362-1 Ed1 dated 30-1-1915 and 5-2-1915 respectively of the Government of Madras on the petitioner's memorial dated 27-1-1915 for the restoration of the privileges of appearing for the Special Tests, directing him to submit his petition in the matter separately, through the Head of the Department, to which the petitioner belongs

Most respectfully sheweth:--

1. That he has been employed in the superior grade of the public service according to the Examination rules in force at the time of his entertainment and is now the Record Keeper District Court Vizagapatam on a pay of Rs 50/ per mensem.

*High School*  
2. That he passed the M.S. Examination in the 1st class (including the Dictation and Hand-writing Tests) and the Translation Test Lower Grade ( Telugu) and that this Entrance Examination was, in the beginning considered as a qualifying test for appearing for all the Special Tests, which the Graduates are now eligible to appear.

*at 4 to 5 P.M. 11/1/15*  
3. That under the (recent) rules, all Special Tests have been closed to men, who have passed the M.S. Examination.

4. That the period within which they were allowed to appear for the Special Tests under the subsequent orders has

2 6 5 18

been extended from time to time as a special concession to the backward classes of the Northern Circars and the Ceded Districts considering the low state of education in these areas.

5. That to complete a Test prescribed for a post of a higher grade, one has to pass a number of Examinations and that for the one who has secured a pass in one or two --- Examinations, his labour would be in vain if he were not allowed to appear for the rest.

6. That the petitioner has put in more than 20 years' service and that it would be very hard that those, who have passed the M.S. Examination which was till recently considered the Entrance Examination to the Public service should be so debarred.

7. That the candidates, who have passed the M.S. Examination in the 1st class and who have been employed in the superior grades of the public service can now be counted on fingers.

8. That certain candidates, who have not possessed even these qualifications are being exempted from passing the Upper Secondary Examination or so, on the recommendation of their superior officers, and are thereby enabled to --- appear for the Special Tests.

*In special cases*

9. That the Government at first declared that the late M.S. Examination in the 1st class was equal to the Entrance University Examination together with Hand-writing and Dictation Tests.

10. That, at that time, one who passed the M.S. Examination was qualified for superior grades in the public --- service; whereas a candidate, who passed the Entrance ---

(17) 6 5

University Examination was not so qualified, unless and until he passed the Handwriting and Dictation Tests.

11. That, as the Government thus gave more value to a pass in the M.S. Examination in the 1st class than the Entrance University Examination without Hand-writing and Dictation Tests, the petitioner had no necessity to pass any ---- University Examination.

12. That candidates who have passed Entrance University Examination only without Hand-writing and Dictation Tests were made eligible for superior grades in public service only after the Government ordered that they need not pass those two Tests.

13. That a request made to the Government by the District Court Vizagapatam by a letter No.2385 dated 1-9-1913 for the Petitioner's permanent exemption, as a special case, for the reasons stated therein, from passing the Civil Judicial Test was refused on the ground that there was no sufficient reason to exempt him permanently (G.O.No.945 Mis dated 13-10-1913)

*This is no ground for this petition*

14. That by restoring to the M.S. candidates the same privileges as the candidates, who passed the Entrance University Examination enjoy, it would save the Government a good deal of trouble in the matter of granting exemptions from the operation of the existing rules for appearance at certain Special Tests.

*This question was raised by the learned Judge in June 1917*  
u.s. 28

(P)

15. That under these circumstances, the humble petitioner most humbly prays that the candidates who passed the M.S. Examination in the 1st class and already employed in public service may be allowed to appear for all the Special Tests, like the candidates, who have passed the Entrance University Examination to enable them to complete their tests for qualifying fully for certain posts of some

4 8 4 5  
higher grades in the Departments in which they have been  
serving.

16. For which act of justice and mercy, the peti-  
tioner will ever feel grateful.

C. No. 2541 From the Registrar High Court No. 945/15, dated the 21-7-1905.

SUBJECT. Permission to middle school, first class men to appear for special tests.

(G)

Please see note on pages 10 & 11 of G.O. 297 Sd/-, the 26<sup>th</sup> May, 1910 for a history of the several chances allowed to the petitioner, S. Jagannayakulu, Record Keeper, St. Govt. Vizagapatam, to pass the Civil Judicial test. He did not, however, succeed in getting through the examination and applied for his permanent exemption from passing the test. This was refused in G.O. 945 Sd/-, the 13. 10. 13.

(D)

para. 15 of the petn  
on p. 5 of C.F.

He now raises the general question, namely, that of permitting the "middle school, first class" men generally to appear for all the special tests which are open to matriculates or holders of secondary school leaving certificates. The application is not supported by the St. Judge or by the High Court.

2. It will be observed that this question was raised in 1908 by the Hon'ble Mr. Cardew and decided in the negative. In the absence of any special recommendation from the petitioner's official superiors it does not appear that the question should be reopened now. The petitioner may be informed that the Govt. see no sufficient reason to comply with his request.

3. A draft letter to the High Court is submitted for approval. If approved, it may be forwarded to the Judicial Dept. C.O. for acceptance.
