SUBJECT

Daily allowance of Mr. Chatterton.

Please see note to G.O. 882 (2)
27.7.14

The services of Mr. Chatterton, the permanent Director of Industries in this Presidency, were first sent to the Mysore Darbar in 1912. The period of his services has been extended in subsequent years and in G.O. No. 1131 Est., dated the 2nd October 1914 with the sanction of the Govt. of India, it has been extended by three years from the 2nd January 1915. The terms on which the transfer to foreign service has been sanctioned will be found in G.O. No. 260 Revenue, dated the 26th January 1914, as modified by G.O. No. 1131 Est., dated the 2nd October 1914. According to these, Mr. Chatterton's daily allowance ~~is to be the same as the daily allowance of the Resident in Mysore~~ is

is regulated by Article 1063 of the C.S.R. Till recently the daily allowance of the Director of Industries was also regulated by the general provisions of this Article. But in (U) Gov. No. 486 Educational, dated the 5th May 1915 the allowance of the Director was, with the sanction of the Govt of India, raised to Rs. 7.8.0. The post has therefore now been included in the Appendix to the C.S.R. which contains a list of officers who are eligible for special rates of daily allowance. Mr Chatterton, as the permanent Director, is eligible for the increased allowance and the Mysore Darbar has permitted him to draw it. The Resident forwards a copy of the proceedings of the Darbar for any action necessary.

2. As Mr Chatterton's daily allowance in Mysore is regulated by the British C.S.R. and as the latter now allows the Director of Industries a rate of Rs. 7.8.0, it does not appear that any special sanction of the Govt of India should be obtained to his drawing the enhanced allowance.
