HIS EXCELLENCY THE GOVERNOR'S TOUR, 1915.

*Extract from an address to be presented to
His Excellency the Governor by the
ryots of Chendragiri.*

* * *
"4. Thirdly, we most humbly beg to
lay before your Excellency the need of
a secondary school at Chendragiri and
the difficulties entailed in sending our
children seven miles to Tirupati for
their education."

Collector's remarks.

There is no case whatever for a
secondary school in such a small place
as Chendragiri. With two secondary
schools at Tirupati, the ryots of Chendra-
giri are in fact much better off in regard to
educational facilities than the ryots of
many other parts of the district.

Secretariat note.

EDUCATIONAL DEPARTMENT.

The population of the union of Chendra-
giri according to the census of 1911 is
only 5,869. As observed by the Collector
there appears to be no case for a secondary
school at this place.

Returned with the following extract from His Excellency's reply:

"I cannot I fear hold out to you much prospect that a special secondary school will be established specially for Chendragiri, which enjoys the benefit of two such institutions at Tirupati within a few miles. In this respect, you are more fortunately placed than most dwellers in country districts. While, therefore, ^{and the difficulties which you mention} I sympathise with your desire, I would counsel you to wait until the growing importance of your town justifies the creation of a special institution."
