HIS EXCELLENCY THE GOVERNOR'S TOUR, 1915.

Extract from an address to be presented to His Excellency the Governor by the inhabitants of the Madanapalli sub-division.

"6. We have in this town a high school which was maintained and managed by private local effort for 25 years. Its management is now transferred to the Theosophical Educational Trust with which the former manager is connected. Its affiliation as a college to the Madras University has been recommended to your Excellency's Government by the Senate of the University in March last on the original motion of the Hon'ble Mr. J. H. Stone, Director of Public Instruction, and we trust that it will have received your approval before now. The determination of the present management of the high school to raise it to a college at very great expense is much appreciated by the public. We beg, therefore, that your Excellency's Government will be pleased to assist the college with liberal grants and thus encourage the managers to further improve this institution."

Secretariat note.

EDUCATIONAL DEPARTMENT.

At its adjourned meeting held on the 6th March 1915 the Senate of the University of Madras recorded its opinion that the affiliation of the Madanapalli High School in Group III* of the Intermediate course may be granted by the Government, provided that the college is placed "under the management of a regularly constituted governing body on which the teaching staff is represented" as required by regulation 375 (a).

2. On receipt of the application for affiliation, with the above opinion of the Senate, the Director of Public Instruction was consulted unofficially. That officer observed that the affiliation might be granted, the Government Solicitor being first consulted about the rules and regulations of the Theosophical Educational Trust which is managing the institution.

3. Copies of the papers have been forwarded to the Government Solicitor for obtaining the opinion of the Advocate-General as to whether the requirements of University regulation 375 (a) are sufficiently met by the regulations proposed for the governing body of the college combined with the rules and regulations of the Theosophical Educational Trust. The opinion of the Advocate-General is awaited.

4. If the college is finally affiliated, it will no doubt be eligible for teaching and other grants admissible under the Grant-in-Aid Code. As a secondary school the institution received a grant of Rs. 2,987 in 1912-13 and Rs. 3,451 in 1913-14.
