Textile mills : [Despatch Abstract.]

of Industries letter from the Resident in
Travancore and Cochin stating that the
authorities of the Trichur textile mill
desire advice as to how to set about
starting a connection with a British
firm exporting dyes & chemicals.

Copy of letter from the Resident in Travancore and Cochin,
R.O.C.No.1130, dated 3/12th August 1915. --

With reference to G.O.No.809 Educational, Mis.,
dated the 27th July 1915, I have the honour to state that
the chief difficulty of the Trichur mills seems to be that
they cannot find a British firm to supply them and do not
seem to know how to set about starting a connection. They
would no doubt be thankful for advice from ~~xxx~~ Government
in the matter. The dyes which they say they want are

1. Aniline salt.
 2. Alizarine salt.
 3. Indanthrene blue.
 4. Indanthrene green.

Dyestuffs required by Trichur mills.

At present the Board of Trade issues

licenses only to selected firms to export dye-
stuffs to India and Dr. Marsden may probably be
able to give advice in the matter. Submitted
that the Resident's letter may be forwarded to
the Director of Industries for advice direct if
possible. A draft order is submitted below for
approval.
