EDUCATIONAL Department.

Sir,

(J)

I have the honor to state that in G.O.Finl.No.202 dated 25th May 1908 sanction was accorded for the purchase of a peon's bicycle for this office. The bicycle peon ~~spends~~ ^{is} practically the whole day running about and even so ~~his~~ ^{his} errands are so numerous that several other peons also spend a good deal of their time in walking about Madras. In particular ~~I~~ ^{have} observed, an enormous amount of time ~~is~~ wasted in business between this office and the Accountant General. There is constant traffic between the two offices. I also have a Glass Factory on the Marina to communicate with, a lime brick plant at Washermanpet and a new Oil plant

soon
will/be erected at Korukkupet. With all these
I have to keep in touch and as the present bicycle
is fully engaged the whole day, I request that
sanction may be accorded for the purchase of a
further office bicycle at a cost not exceeding
Rs.150. The expenditure may be met from the
allotment for contingencies in the current year's
budget.

I have the honor to be,

Sir,

Your most obedient servant,

THE ACCOUNTANT GENERAL, MADRAS.

Sir,

In reply to Government Memo No. 2182-2 Edl., dated 9th instant, I have the honour to submit the accompanying statement in which the No. of peons sanctioned for the Central Office is given together with the duties allotted to them. It will be seen from it that the existing number is itself inadequate and that no reduction is possible. A separate bicycle messenger was not sanctioned for this Department but as one of the peons knew how to ride, a bicycle was purchased locally in 1908 with the sanction of Government as per G. O. No. Finl. 202 dated 5th May 1908. The present application for a bicycle is made on similar lines

2. The cost of the bicycle may be met from the allotment under contingencies.

I have the honour to be,

Sir

Your most obedient servant,

SUBJECT.

Purchase of a second office-bicycle for the office of the D.I.

In 1908 the office of the Director of Industries had a menial staff of six* peons. Mr. Chatterton then represented that the tannery at Sembiam was $5\frac{1}{2}$ miles away from his office and that ~~some~~ ^{at least one} of his peons should be provided with a bicycle so as to carry messages backwards & forwards expeditiously. As it was urged that the bicycle was required urgently, the Govt. while sanctioning its supply approved also the proposal to purchase it locally. The tannery has since been closed. ~~but~~ The Director's office has at present one duffadar and seven peons. Mr. Treacher considers that with

with several industrial experiments carried on in different parts of Madras it is ~~essential~~ necessary to have another office bicycle. It is for order whether the supply of another bicycle

may be sanctioned. There seems to be ~~no~~ ^{difficult justification for the proposal.} It is not clear whether Mr. Trevelyan

intention is to purchase the bicycle locally as was done last time. ~~He~~ ^{apparently proposes} local purchase. ~~It should be decided~~

Rule 17 of Inter-dept. ref. rules.

The proposal must be accepted by the Financial Department in that case. In the present circumstances it may be also better to authorize local purchase.

I venture to think that we
might ask that Mr. Trench
should consider whether with
the advent of a second bicycle
it would not be possible to
do away with a person or two.

We are told that several men
pass spend a good deal of
their time walking about in
Madras. The second bicycle
will reduce this perambulation
and it might be possible to
reduce also the number of persons.

Ed. Department.

It is very doubtful whether Mr. Trench
will be able to do away with
one or two of his persons. A reference
may, however, be made as suggested
by Mr. A. draft memo is submitted
for approval.

Mr. Treacher states that no reduction in the number of peons will be possible when the second bicycle is supplied for his office. As there are several sections in the Director's office viz., drawing office, workshop, clerks' offices, officers' rooms, it does not appear that the present menial staff of 1 duffadar and 7 peons can be considered to be too large. The reduction in the number of peons ~~cannot~~ ^{need} ~~be~~ ^{is} submitted, be insisted on.

2. The proposal to purchase a second bicycle locally has already been accepted by the Dist. Dept. & it may, it is submitted, be sanctioned. A draft order is placed below for approval.
