Letter No. 477 dated 7th May 1915, from the Principal,
and Correspondent, Maharajah's College, Vizianagaram, to the
Director of Public Instruction, Madras.

I have the honour to state that it is proposed to have
an electrical installation in connection with the Chemical
and Physical Laboratories of the Maharajah's College, Vizianagaram. As the Laboratory extensions now in progress will
be completed before the close of the current year, the Samasthanam authorities want to make the necessary arrangements
for the electric current as soon as possible.

As the Government have been pleased to sanction a Grant
of Rs. 3082.11. of half the cost of construction of the extensions, I have
19.8.14 been directed by the Samasthanam authorities to apply for a
grant not only for the Electric Installation but also for the
Physical apparatus required to complete the equipment.

The estimate prepared by the Crompton Engineering Company
for an electric installation comes to Rs. 8,315/- besides Rs.
365/- provided for contingencies etc., and that for the physical
apparatus prepared by our Chief Lecturer in Science comes
to Rs. 4,170/-. The total sum required will be Rs. 12,850/-.

I request you will be pleased to recommend a grant of
half the cost of the electric installation and the apparatus.

Copies of the estimates are submitted herewith.

(True copy)

For Director of Public Instruction.
