G.O. No. 794, Educational, dated 19th July 1915.

ABSTRACT.—Directing the publication in the *Fort St. George Gazette*, of a notification excluding the post of storekeeper, Presidency College, Madras, from the operation of the provisions of article 1 of the Public Service notification.

II

Letter—from K. T. B. TRESSLER, Esq., Director of Industries.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 9th August 1915.
No.—B-1.

I have the honour to state that in the Government Technical Institute, Madura, one Meenakshisundram Ayyar is acting as storekeeper on Rs. 20—1—25 from 3rd August 1912. He is not qualified according to the Public Service notification and the Superintendent was asked to secure the services of a qualified man in accordance with the rules. The Superintendent in reply reports that he has not so far succeeded in securing the services of a storekeeper possessing the educational qualifications prescribed in the Public Service notification and sees no prospect of getting a satisfactory one. I agree with him in this. What is required in a storekeeper is not a knowledge of humanities, but familiarity with engineering stores, and the two qualifications do not usually go together. On the pay offered (Rs. 20—1—25) I see no prospect of getting satisfactory men with the dual qualification and as the "stores" qualification is much more important than the literary one, I venture to suggest that the appointment of storekeeper in the Institute be excluded from the operation of article 1 of the Public Service notification.

Order—No. 929, Educational, dated 21st August 1915.

The Government approve the proposal of the Director of Industries to exclude the post of storekeeper in the Government Technical Institute, Madura, from the operation of article 1 of the Public Service notification.

2. The following notification will be published in the *Fort St. George Gazette*:—
