Dear Dewan Bahadur,

(T)

Thanks very much indeed for your D.O. No. 1855-1 Edl. of the 27th May which reached me at the same time as the G.O. No. 493 Edl. of the 7th May. The ^{wording} language of the latter unfortunately leaves ambiguous the point as to when, other things being in order, I become eligible for the allowance. It is capable of being interpreted as indicating the time when I shall have put in 15 years in the I.E.S., i.e., the 55th year of my age! In that case the generous intention of the G.O. would be frustrated. On the other hand in my petition of the 1st March I had expressly asked that I should be eligible from December 1922, i.e., fifteen years from my joining the Geological Survey, and the G.O. does

Educational Dept.

The conditions necessary for the grant of the special allowance of Rs. 100 a month are

- (i) that the officer should have put in a service of fifteen years,
- (ii) that his total salary ^{should} not exceed Rs. 1,000,
- and (iii) that the Local Govt. ~~reconsider~~ ^{consider} the officer to merit this increase of pay.

It is submitted that the period of service referred to in the first condition is apparently the total service of the officer concerned and not his period of service in the I. E. S. ^{alone}. ~~But in the case of officers promoted from the Prov. Service or introduced into the middle grades of the I. E. S. from a different service this rule will work hardship if interpreted as referring to service alone.~~ It would appear that the service referred to is the total service put in by the officer under the Govt.

2. In his letter of the 19th April last the A.G. did not, however, specifically refer to this point. For orders whether he should be consulted now or whether Mr. Darn may be told that he will be eligible for the allowance

does not expressly refuse this request. Years ago Dr. Warth on being transferred from the Salt Dept. to the Geological Survey was given by the Govt. of India a position in the Geological Survey such as he would have attained to had he joined the latter dept. when he joined the Salt Dept.; and for this Rs. 100 allowance of the Education Service, the time spent even in Provincial Service counts.

Would you kindly do the needful to have the ambiguity removed? I am anxious that this matter should be settled before the College reopens at the end of this month.

Yours sincerely,

N. D. Darn.

There is no doubt that in para 9 of the Government of India Resolution referred to in the notes on page 2 the service referred to was service in the Indian Educational branch of the service. In this branch after reaching the maximum in the 10th year an officer had little more to look forward to and so a special concession was granted viz., that ordinarily if in the following five years ^{ie} within fifteen years he got no increase above Rs.1000 he could get a special personal allowance of Rs.100. (There might be exceptional cases in which a salary of over Rs.1000 might have been reached in this ^{time} five. Vide last para of para 8.)

2. Subsequently Government of India decided that service for the maximum higher personal allowance might include service both in the Indian Educational and Provincial branches of the service and this rule has been followed ~~xxxxxxxxxx~~ in regard to the accrual of the allowance of Rs.100 as well.

3. There is no rule under which the previous service

service of Mr. Daru in the Geological Survey may be allowed to count towards the service necessary to qualify for the special allowance of Rs.100/-.

EDUCATIONAL DEPARTMENT.

Submitted that the ruling of the Government of India referred to by the Accountant-General in paragraph 2 of his note on page 3 ante appears to be more an interpretation by the Government of India of their rule relating to the grant of personal allowances originally laid down by them than a modification of it. The spirit of India's order appears to be to include the past service under Government generally of the incumbent concerned. Though that order referred only to the junior and senior personal allowances, and to other service in the Educational Department, they seem to have equal reference to the personal allowance of Rs.100 also and to other services. This Government's reference to the Government of India was in general terms and ~~was not~~ ^{is} not restrict to service in the Educational Department alone.

2. If, however, it is considered that according to the present rules Mr. Daru cannot count his service in the Survey Department for purposes of the personal allowance, it is submitted that it

may be a hardship and that it may therefore be desirable to address the Government of India for the grant of the allowance with effect from December 1922 as a special case.

3. The Financial Department may be consulted.

15.7.15 16.7.15

There is clearly no rule to order under which the Government can grant him the grant of a second personal allowance at the end of 15 years' total service, nor can I find in the papers any such special circumstances as seem to make a reference to the Govt of India desirable. I should be disposed to tell him that he must be content with the personal allowance already granted to him under and until he is placed in another appointment or receives one of the higher allowances governing personal allowances of officers of the Indian Educational Service.

the increments of personal allowances. They did not say anything about the previous service in other departments, presumably because there was then no case of an officer eligible for personal allowances if his service in other departments were taken into account. As stated in the Educational department Secretary's note there is no rule under which this Govt. can give Professor Datta ^{the special allowance of Rs 100} after 15 years total service in non educational and educational departments. If Professor Datta is to get the special allowance of in Dec 1922 it will be necessary to address the Govt of India in the present case.

Dear Mr. Datta Sir,

With reference to your D.O. of the 3rd and the 21st June last to Mr. Rajagopala Acharya, I am directed to say that there is no rule under which the your service in the ^{Geological} Survey Department can count towards the allowance of Rs. 100 which is given for special reasons to officers of long service in the Educational Dept. The Govt. do not consider that there is a sufficient case for addressing the Govt. of India on your behalf.

Yours faithfully
