GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following papers :—

I

Letter—from the Hon'ble Mr. H. S. DUNCAN, M.A., Acting Director of Public Instruction.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 28th June 1915.
No.—Ref. on Cur. 373.

I have the honour to submit for the approval of Government and publication in the *Fort St. George Gazette* a draft of the alterations necessary in the Grant-in-aid Code on account of the delegation of certain powers to the Director of Industries and the Inspectors and Inspectresses of Schools sanctioned in the G.Os. No. 1194, Educational, dated 24th October 1914, No. 1105, Educational, dated 22nd September 1914 and No. 35, Educational, dated 11th January 1915.

2. With reference to paragraph 2 of the last mentioned Government Order regarding the desirability of laying down simpler rules of procedure in respect of grants to village schools, I beg to state that the inspecting officers have already been informed that no difficulties should be put in the way of village schools applying for building grants and that necessary provision has now been made in rule 60-A of the Grant-in-aid Code with the same object.

II

Memorandum No. 2286-1, Educational, dated 17th July 1915.

With reference to the Director of Public Instruction's letter R.O.C. No. 373, dated the 28th June 1915, it is observed that as the Director of Industries has since prepared and submitted to Government a separate code of regulations relating to the Department of Industries which may issue shortly, all references to the Director of Industries and the schools under his control may well be omitted from the Grant-in-aid Code of the Madras Educational Department. The Director is accordingly requested to submit a revised draft notification for approval and publication in the *Fort St. George Gazette*, at an early date eliminating such references from the Code.

C. G. TODHUNTER,
Ag. Secretary to Government.

To the Director of Public Instruction.
