From (Name) T. E. Moir Esq., I.C.S.

(Designation) Acting Collector, Godavari.

To the Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to state that the post of the draftsman clerk of my office fell permanently vacant in December 1911. The salary then attached to the post was only Rs 20 and no applications were received from men who had passed the draftsman test of the Civil Engineering College, Madras. Under B.P. Revenue Settlement, Mis. No. 1227, dated 3-3-07 that qualification was not insisted upon in the case of draftsman clerks in Collector's offices and any one could be appointed if qualified for appointment as a clerk. In 1911 the pay being only Rs 20 which no examination qualifications were required, and V. Narasimharao, who had the College of Engrs

(Not available)

Technical knowledge required he was appointed in 1914 to the post of Minor Irrigation Sub Overseer, Peddapur sanctioned in G.O. Press No. 2306, Revenue, dated 10-8-14. The examination in the College of Engineering, Cuttack not being recognised, his exemption from the prescribed test was applied for. The Board thereupon in B.P. No. 3644 dated 19-11-14 sanctioned his temporary exemption and ordered further attempts to be made in order to secure a passed candidate. The vacancy was advertised but no applications were received from qualified candidates and as V. Narasimharao was doing his work satisfactorily his permanent exemption was again applied for in April last. The Board however again sanctioned temporary exemption up to 1-10-15 and called for a report on his work. A copy of this office letter R.G.B. 1522 Rev of 14 dated 5-5-15 submitted in reply to that reference and a copy of the Board's orders are enclosed. It will be seen that he can no longer be retained as a Sub Overseer though he has done satisfactory work and that his permanent exemption from the Upper Secondary Examination becomes necessary even to allow him to retain the permanent post he now holds the pay having been raised from Rs 20 to Rs 25-1-35. I therefore enclose an application for his exemption from the Upper Secondary examination to admit of his being retained as draftsman clerk after his reversion from his present acting appointment, and request that Government may be pleased to sanction the exemption.

I have the honour to be,

Sir,

Your most obedient servant,

M. Narasimharao

Copy of this office letter R.G.B. 1522 of 14 dated 5-5-15 addressed to Board, Revenue Settlement.

In reply to B.P. Mis No. 1057, dated 16-4-15, I have the honour to state that the Tahsildar, Peddapur under whose supervision V. Narasimharao has been working as Minor Irrigation Sub Overseer, reports that the Sub Overseer knows his duties well and has been working hard.

2. In this connection I may state that V. Narasimharao is the permanent draftsman clerk of this office, whose pay in the new scale has been fixed at Rs 25-1-35. Under B.P. Misc No. 1227 dated 3-3-07 any candidate could be appointed to the draftsman's post if he was qualified by examination rules for appointment as a clerk. As however the post carried only a salary of Rs 20 for which no examination qualifications were required, no exemption was necessary in the case of V. Narasimharao when he was appointed to the draftsman's post. But as the pay of the post has now been raised to Rs 25-1-35, his exemption from examination rules appears necessary. I therefore request that, if the Board is not prepared to exempt the candidate from the Lower Subordinate test, College of Engineering, Madras, for holding a Minor Irrigation Sub Overseer's post, he may be exempted from the Upper Secondary examination for holding the

Clerk draftsman's post, the duties of which he has been discharging satisfactorily. As has been reported already, V. Narasimharao has passed the Lower Secondary Examination and the Sub Overseer's Test in the Government Institute, Cuttack, known as the "Final Survey standard examination of the College of Engineering, Cuttack." This examination which has mathematics, Surveying, drawing and Engineering for its subjects does not appear to have been recognised as equivalent to the Sub Overseer's Test of the Engineering College, Madras. He is stated to have also been a Theodolite Deputy Surveyor with the Government Revenue Survey Party.

During t

Irrigation Sub Overseer, Peddapur, B.Venkatareddi, who is a permanent Salt Petty officer, Penuguduru, and who had served as a draftsman and tracer in certain Survey and D.P.W. offices has been appointed to act as draftsman in this office, as no qualified person possessing the requisite technical knowledge could be secured. B.Venkatareddi has to be continued in the post so long as V.Narasimharao continues as Minor Irrigation Sub Overseer and I therefore request that B.Venkatareddi may be exempted from the Upper Secondary examination temporarily till the termination of the period of 6 months from 1st April last. An application for exemption in the prescribed form is enclosed.

C. No. 2726 From the Collector of Godavari No. 1522 Rev, dated the 1-8-1905.

SUBJECT. Exemption from the examination rule

v. Narasimha Rao, the candidate whose exemption

(L) from the provisions of art. 1 of the Public Service Notification is applied for, was appointed a clerk-draftsman of the Godavari Collector's Office in 1911 on a salary of Rs 20 p.m. In 1914 he was promoted to the then newly created post of Minor Irrigation Sub-overseer on Rs 30 p.m. But the Board of Revenue ^(having) refused to exempt him from passing the Lower Subordinate test of the College of Engineering, Madras, which test is prescribed as a qualification for M. I. Sub-overseers, the Collector has reverted him to his former post of clerk-draftsman. As the pay of the latter post has since been raised from Rs 20 to Rs 25-1-35 p.m. Narasimha Rao requires exemption from the provisions of art. 1 of the P.S. Notification for holding that appointment.

2. It is not urged that passed candidates are not available for the post. Apparently no steps have been taken by the Collector to secure the services of a passed candidate. Narasimha Rao is reported to have passed the Lower Secondary examination and the Sub-Overseer's test in the Govt. Institute, Cuddalore. He is not therefore entirely devoid of the knowledge required of a clerk-draftsman. From experience, the Collec

states that Narasimha Rao has been discharging the duties of both the Minor Irrigation Sub-overseer and the clerk-draftsman satisfactorily. It would also appear that the duties of the post have not undergone any change in character though it might have increased in magnitude and consequently the pay has been raised from Rs 20 to Rs 25-1-35 p.m.

3. In the circumstances it is for consideration whether the exemption applied for may be sanctioned. The remarks of the Revenue dept. may be obtained u.o. in the first instance.
