Station Madras, Dated the 2nd August 1915. 191

From (Name) The Hon'ble Mr. H.S. Duncan, M.A.,
(Designation) Ag. Director of public Instruction

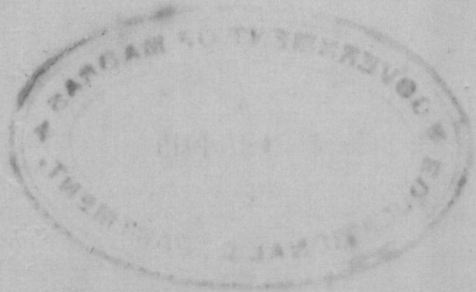

To The Secretary to the Government of Madras,
Educational Department.

Sir,

In his letter R.C.No. 6002/14, dated 7th July 1914 read in G.O.No. 860 Edl., Mis., dated 22nd July 1914, Mr.Stone stated that since the Madras College for Women could not then provide Science courses it was reasonable that the conveyance of such of the students of the College as had taken groups I and II, to the Presidency College should be arranged for, and accordingly recommended the employment of two gardeners on Rs.8 each per mensem who, besides attending to their legitimate duties, were also to draw the rickshaws of the students attending the Presidency College,

and this proposal was sanctioned in the G.O. quoted above. While the necessity for the conveyance of the students of the Women's College to the Presidency College for instruction in Science courses continues to exist, the arrangement referred to above for their conveyance does not meet the present requirements. There are at present 12 students in the Junior Intermediate class and 4 in the Senior who require some form of conveyance in order to attend the Presidency College. As double rickshaws are not now available for hire owing to Police regulations limiting their seating capacity to one and as jutkas are found inconvenient by European Girls, the Principal, who has spent considerable thought and time over this question of conveyance and made many enquiries, has, in anticipation of sanction, engaged a brougham at Rs. 2 per diem in addition to the two rickshaws belonging to the College. I agree with Miss de la Hey in thinking that this is ^{the} cheapest arrangement consistent with convenience and have accordingly the honour to request the sanction of Government to incur an expenditure not exceeding Rs. 50 per mensem on this behalf until such time as Science instruction is provided in the College for Women itself. The charge will be met from the provision under contingencies for the college in the current year's Budget.

I have the honour to be,

S i r,

Your most obedient servant,

for Director of Public Instruction.

OFFICE NOTE.

SUBJECT.

Requesting sanction for an expenditure not exceeding Rs.50/- p.m. on account of the conveyance charge of pupils in the Madras College for Women.

From

the D.P.I. R.O.C. No.1280/15, dated the 2nd August 1915.

Register No. 2684 Edl.

The Government in their order No.860 Edl., dated the 22nd July 1914 sanctioned the employment, for a period not exceeding eight months from the 14th July 1914, of two gardeners on Rs.8 each per mensem in the Madras College for Women. The pay of these servants was fixed at Rs.8 each per mensem since they had, in addition to their legitimate duties, to draw the rickshaws of the students of the college who had to attend the Presidency college for some part of their work in groups I and II. Subsequently the retention of these servants for a period of one year was also sanctioned. Under G.O. No.289 Finl., dated the 26th April 1915, the D.P.I. is himself competent to employ these temporary servants without reference to ^{the} Government.

2. There are now as many as 16 students in the

the Women's college who require some sort of conveyance to the Presidency College and as the above arrangement does not suit present requirements, the Principal of the College, Miss de la Hay, has, in anticipation of sanction, engaged for the purpose a brougham at Rs.2 per diem in addition to the two rickshaws belonging to the college. The Director now requests that sanction may be accorded to the incurring of an expenditure not exceeding Rs.50 per mensem on that account until such time as science instruction is provided in the College for Women itself.

3. Please see the table of fares annexed to the bye-laws under the hackney carriage Act on page 11 of G.O. No.1536 Judicial dated the 27th September 1912. The fare for a carriage drawn by a single horse is Rs.3 per diem (6 A.M. to 6 P.M.). As the College hours last from 10 A.M to 4 P.M the carriage will be required between that period and it will probably have to be engaged for the whole day. A fare of Rs.2 per day seems therefore to be reasonable. As there will be 23 working days in some months an expenditure of Rs.46 ^(per mensem) will have to

be

page 11 of the R.O.C

(the Director's proposal)
to be incurred on this account, and to incur an expenditure not exceeding Rs.50 per mensem seems to be fair.

4. In this connection it may be noted that the Government have recently sanctioned the employment up to the 31st March 1916 of an additional assistant professor in the Presidency College for teaching Physics and Chemistry to the students of the Women's college. To make the college a success and in view of the desirability of giving women students in groups I and II all possible help, it is submitted that the sanction applied for by the D.P.I. may be accorded. If so it seems perhaps sufficient to ~~restrict~~ ^{restrict} the incurring of the expenditure up to the 31st March 1916 as in the case of the employment of the additional assistant professor referred to above. If this view is accepted the draft order submitted below for approval. It may be sent u.o. to Financial for acceptance.

We may agree, but I think some comment should be made on the irregularity committed by the Principal in having acted in anticipation of sanction. This is, I submit, a dangerous practice and should not be allowed to grow.
