In submitting herewith a letter from the President, Taluk Board, Kavali, R. C. 490 Sup/14 dated 10th July 1915 requesting the grant of a provincial subsidy to meet the cost of furniture and apparatus required for the Board Secondary School, Kavali, I have the honour to recommend that a subsidy of Rs. 1,100/- which is about half the estimated cost of the indents be sanctioned the same being met from the savings in the allotment under 'subsidies' in the Civil Budget Estimate for 1915-16. The School is reported by the Inspector to be badly in need of better equipment. The sanction of Government should have been obtained

From *M. K. Rangabwami Sengar, B.A.*
President, Taluk Board,

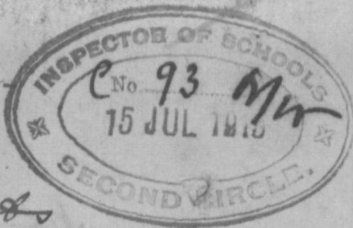

Kavali;

To The Director of Public Instruction,
Through the Inspector of Schools,
Suntur.
Sir,

I have the honour to state that at the instance of the President, District Board, Nellore, V Form has been opened in the Secondary School, Kavali, subsequent to the opening of the school after the summer recess. I have also advertised for securing a Mathematics L.T. strong in English, on a salary of Rs 120 per month and I hope to get one soon.

As regards the building, for the V Form, it is now temporarily located in the present school premises and steps are being taken to have an additional building constructed close to the main building of the school. The President, District Board, Nellore, has also been kind enough to sanction an annual contribution of Rs 2,000/- from the District Board funds towards the

the maintenance of the school, till
the same becomes self-supporting.

(2) The Head Master of the
school now submits two indents
one for Rs 520/- for the furniture
required for the school, and the
other for Rs 1786/- for the necessary
Science apparatus. These two
indents which have been approved
by the Inspector of Schools cost
together Rs 2306/- As the Taluk
Board is unable to meet the whole
of this cost without extraneous
help, I request that you will
be pleased to sanction a subsidy
from Provincial funds equal to
three fourths or one half of
this amount.
