Sir, (Through the Accountant-General, Madras)

I have the honour to request that you will be so good as to obtain the sanction of Government for raising to Rs.40/- per mensem from 1st October 1916, the pay of the temporary Assistant on Rs.30/- per mensem in each of the Government Girls' Schools at Nellore Town and Ranganaiackspet.

2. In G. O. No.655 Educational, dated 19th July 1912 a salary of Rs.30/- per mensem was sanctioned for the temporary teacher in the Government Girls' School, Nellore Town, and also for those in the Government Girls' Schools at Vellore, Guddalore and Kumbakonam, in view to secure and retain the

services of secondary grade mistresses for the posts. The temporary mistress on Rs.30/- in the Government Girls' School, Ranganaickspet, whose retention until the 31st March 1917 was sanctioned in G. O. No.119 Educational, Mis., dated 5th February 1916, is also reported to be in possession of trained teachers' certificate of the secondary grade.

The Inspectress of Girls' Schools, Central Circle, reports that it is very difficult to secure the services of secondary grade trained Telugu female teachers and that such of them as are already in service are unwilling to continue on a salary of Rs.30/- and threaten to leave the schools unless the salary is raised to at least Rs.40/- per mensem. She therefore requests that the pay of the temporary teachers in the Higher Elementary Government Girls' Schools at Nellore Town and Ranganaickspet where secondary grade Telugu mistresses are required and are now employed may be raised from Rs.30/- to Rs.40/- per mensem.

In view of the difficulty set forth above, I see no other alternative but to support the Inspectress's recommendation.

The extra charge amounting to Rs.100/- during the current year can be met from the savings anticipated in the provision for salaries of teachers in Government Girls' Schools Government Schools, General, in the current year's budget.

I have the honour to be,

Sir,

Your most obedient servant,

G. W. S. S. S.

for Director of Public Instruction

The position is not at all satisfactory if we are to be coerced in this fashion into giving increased ratio of pay. This 'gentle pressure' is likely to become serious contagious.

Home dept. will be in a position to say whether this threat of a strike must be taken seriously and if they consider it must financial is prepared to leave the decision to them.

For Regr

Home (ED) DEPT.

In view of the fact that the services of trained telugu teachers are very difficult to obtain, it is submtd, that the threat of a strike will have to be taken seriously and the D.P. is recomd accepted. If this view is concurred in the draft already approved by Secy may now issue.

He is obviously regards the threat seriously & he says that there is no other alternative. The proposal may be accepted.
