- (3) Trichinopoly Muhammadan Range (comprising Trichinopoly, Tanjore, Selam, Coimbatore, the Nilgiris, Madura, Ramnad and Tinnevely) from 17-6-1912 to 22nd September 1915.

3. It is the mockery of fate that a poor servant of Govern

Government who had served for 18 years loyally, zealously and honestly with an unblemished character who most requires the support of Government, more easily trodden upon, should be denied that justice which has mainly upheld the justice of the British Empire for so many years.

4. That the receipt of a petition from one Muhamaddan teacher, one of the teachers of the ~~Salea~~ District, who bore ill-will against the petitioner in collusion with the Supervisor led the Department to institute an enquiry, the result of which to the petitioner's misfortune and dismay, proved prejudicial to his interests, nullified his efforts and eventually hurled him into the abyss of destruction. The enquiry the petitioner ventured to add mainly depended upon the evidence of such persons who were actuated by reprehensible motives not favourably disposed towards the petitioner and were working for his ruin and were of low social status, as will be seen from the records set forth below.

5. That the officer who had conducted the enquiry was not alive to the mischevious character of complainant whose evidence was far from satisfactory.

6 That the Supervisor also, named Abdul Qadir June~~day~~ is a mischevous person, who was the moving spirit of the enquiry ^{as the} is a native of the ~~Salea~~ District commanding great influence amongst the miscreants and wire-pullers. The petitioner has had to find fault with the said Supervisor for his dereliction of duty and this was the main cause of the grudge he bore against the petitioner.

7. That the enquiry was not, the petitioner regrets, conducted in accordance with the procedure laid down in Public Servants (Inquiries Act) 1850 in the absence of which he had to face a disaster which has convulsed the petitioner and his large family.

4.
8. That the preliminary enquiry in the strict sense of justice should not have been conducted with~~out~~^{without} the petitioner's absence and ^{without} his knowledge. In this enquiry, the petitioner's inveterate foe, the said Supervisor who took a prominent part produced unreliable teachers of low status, backed all the while by him and persons of low profession such as Jutkawallas as witnesses.

9. That the special feature of the enquiry was the assumption by the investigating officer himself of the position of a prosecutor and the treatment of the complainants as witnesses who were not at all called upon according to the provisions of the Public Servants (Inquiries Act) 1850 to substantiate the charges laid against the petitioner.

10. That the Supervisor, who was present at the enquiry and heard the entire evidence, should have been, it is passing strange, examined just before its termination. This afforded him an opportunity to carry out his hostile motives to his heart's content.

11. That the petitioner may venture to add that, under Section X of the Act 37 of 18150, no list of witnesses or documents produced by the complainants was furnished to him at least 3 clear days before the final enquiry and thus ^{the} petitioner was not in a position to know beforehand who those persons were who had given their evidence in support of the malicious and vexatious charges hurled against ^{the} petitioner to enable him to stand on his legs, to rebut their evidence and repudiate the false charges trumped up against ^{the} petitioner, and to produce his evidence in support of his unimpeachable and unsullied character but on the contrary ^{the} petitioner ^{was only} compelled to plead 'guilty or not guilty' a very odd and ^{unique} procedure.

12. That according to the old adage-misfortunes never come single, petitioner was forbidden to visit the District the fountain head of the charges or to communicate with any respectable persons in the District apprehending that they may speak in petitioner's behalf. In consideration of the fact that petitioner was quite a

5.
foreigner to the District and a casual visitor of it once a year for annual inspection of schools lying therein, no enlistment of the sympathy of the respectable citizens of the place can be expected.

13. Petitioner may however add that the decision did not meet the ends of justice as to justify such a capital punishment in the case of a public servant who had devoted 18 years of the best part of his life to the loyal and faithful service of Government and by his untiring zeal, energy, honesty and perseverance left no stone unturned in performing his duties to the entire satisfaction of the Department to which he belonged.

14. That Mohamed Umar, First Assistant, Muhammadan School, Kaveripatnam, to avoid the course of training which he was directed to undergo had three months after the alleged occurrence, on his own admission preferred a false charge against ^{the}petitioner, which ought to have been rightly shelved.

15. That two other similar complaints should have been sent 20 months after the alleged occurrences and subsequent to a preliminary ^{enquiry} held against him behind his back with the active co-operation of the Supervisor should irresistably lead to the indubitable conclusion that the Supervisor having become aware of the action taken by the Department should have instigated irresponsible persons to send those petitions solely with vindictive and malicious motives and with a view to re-inforcing the first complaint in order to make the petitioner's ruin more certain.

16. That petitioner takes the liberty of adding that it does not stand to reason that a public servant who bore an unblemished character throughout his official career of 18 years and had been touring over 19 Districts of the Presidency (Ganjam, Vizagapatnam, Godavari, Krishna, South Canara and Malabar being excepted) should not have stooped to such nefarious actions. This clearly shows that such a ruinous step was taken deliberately and intently by few miscreants to smirch the petitioner's unsullied reputation and stigmatise his character.

17. That it will not be out of place to mention here that the petitioner has to support a large family consisting of 10 souls (including two daughters of marriageable age and two sons of school-going age). The decision of Government has not only nipped his hopes in the bud but also placed his whole family in straitened circumstances of intolerable hardships.

18. In conclusion, Your Lordship's petitioner most humbly and respectfully implores that Your Lordship would be graciously pleased to dispose of his case by re-considering the order passed by the Local Government, which was based on the misrepresentation of facts by some of the above referred subordinates. (G. O.

No. 1134 dated 11th October 1915) so that the craving of the hunger of a number of pitiable souls may be satisfied and their miseries alleviated.

19. For which act of patronage, mercy, and benevolence, the petitioner shall, as in duty bound, ever pray.

Your Lordship's

Most obedient and humble
servant.,

Abdul Qader Razaq
Maulani G. R. Razaq Sahib

Proceedings of the Director of Public Instruction.

Read the following papers:-

Letter from the Inspector of Schools, V Circle R.C.No.2695/13 dated 18-12-14 submitting his report on the complaints against the Sub-Asst. Inspector of Schools -- Trichy Muhammadan Range ^{together} with the statements &c., obtained during the enquiry ^{held} made by him.

The papers read above relate to the complaints made against Abdul Qadir Sahib Quraishi, Sub-Asst. Inspector of Schools, Trichy Muhammadan Range to the effect that he attempted to commit an unnatural offence on the person of or made immoral proposals to (1) Sayyid Khadir, ex-pupil of the Board Muhammadan School, Uttankarai (2) ^{Shafiqulla} Shurfulla Pupil of the Board Muhammadan schools Singarpet (3) Abdul Jalil, son of Md. Umar, teacher Board Muhammadan schools, Kaveripatnam and (4) Ghouse Piran, pupil of the Fort Jubilee school, Salem. A careful enquiry with the complaints was held Mr. Champion, Inspector of Schools V Circle and the statements of the parties concerned the depositions of the witnesses cited and the explanation of the Sub-Asst. were also obtained by him. After a consideration of all the records in the case and having ^{regard} referred to the number of charges of a similar nature the consistency of the statements of the witnesses the strong support of the accusations and the futile defence of the Sub-Asst, the Inspector has come to the conclusion that the charges must be taken to have been proved against the Sub-Asst. The Director is unable to do otherwise than accept the opinion of the Inspector in regard to the first three incidents. The fourth incident if it happened and in this case the proof is less direct and conclusive is a further ^{illustration} of the Sub-Asst. Inspector's lamentable general perversion. The defence set up is the *usual one* in such cases and the Director cannot but agree with the Inspector that it is a futile one. The Director is therefore convinced that the Sub-Asst. Inspector has shown moral *depravity* of such a kind and *degree* as to make his further retention in any

educational post impossible. Abdul Qadir Sahab Quraishi is accordingly dismissed from the public service with effect from the date of his handing over charge of his office to the Asst. Inspector of Schools, Trichy dist.

2. The Asst. Inspector of Schools is requested to be good enough to take charge accordingly without unnecessary delay.

August 26 -- 05.

Copy of endorsement from the Secretary to Government Revenue Department, Madras, on my application dated 27-9-06 to the Hon'ble T. T. Logan., Director Public Instruction, Madras, for the post of Sub Assistant Inspector of Schools, Bellary Muhammadan Range.

"Forwarded and recommended. The applicabt has not very much chance of promotion in the Revenue Department as he has no mufassil revenue experience and has not passed the Revenue Higher test. He is conscientious and hard worker and would I think do well for the post for which he applies."

Abdul Khadir Quarashi served in the Revenue Secretariat for 9 years -- for the last 3 years under me on Rs.60/- and Rs.70/-. I found him a very pains taking and hard working clerk, and he managed the work of indexing with success. He is a B. A., and deserves to get on.

Sd/- F. B. Evans.,
