Quinquennial report on education

GOVERNMENT OF MADRAS.

HOME DEPARTMENT

(Education).

READ—the following paper:—

Letter—from the Hon'ble Sir E. D. MACLAGAN, K.C.I.E., C.S.I., Secretary to the Government of India, Department of Education (Education).
To—the Secretary to the Government of Madras, Home Department (Education).
Dated—Simla, the 31st August 1916.
No.—821.

I am directed to invite a reference to the Department of Education circular letter Nos. 876-884, dated the 26th June 1911, in which certain instructions were given for the preparation of the quinquennial reports on education for 1912. The Government of India reiterate the hope that it may be found possible to place an officer on special duty for a short time to assist the Director of Public Instruction in the production of the quinquennial report for the period ending the 31st March 1917 and to submit the report to this Department punctually by the 15th November 1917, advance copies of the tables being sent in by a still earlier date.

2. The Educational Commissioner has been instructed to place himself in communication with the Directors of Public Instruction in the various provinces in respect of the details of the information required for the report. He has asked for an additional General Table, to be called Table V-A, some slight modifications of headings and certain supplementary statements which will figure in the body of the reports. I am to ask that, with the permission of the Governor in Council, the Director of Public Instruction may be authorized to collect the information required for these tables and new headings and to incorporate them in his report. It is thought that these changes and additions will add to the value of the figures supplied.

Order—No. 1013, Home (Education), dated the 25th September 1916.

The letter from the Government of India on the subject of the preparation of the quinquennial report on education for the period ending the 31st March 1917 will be communicated to the Director of Public Instruction for information and guidance.

2. The Director will be requested to submit in due course proposals for the deputation of an officer to assist him in the preparation of the report and to make the necessary provision on that account in the budget estimates for 1917-18.

3. He will also be requested to collect the information referred to in paragraph 2 of the Government of India's letter and to incorporate the same in his report.

You will observe from G.Os. No. 502, Educational, dated 27th July 1906 and No. 481, Educational, dated 17th July 1911, that instructions were issued for the preparation of the reports on public instruction for the quinquennia 1902-1907 and 1907-1912, respectively, and for the deputation of a special officer for about two months to assist the Director in their preparation. So far no such instructions have been issued for the preparation of the next quinquennial report on education dealing with the period 1912-1917.

Presuming, however, that a similar procedure will be followed in connection with the report for 1912-1917, I have provided in the Budget Estimate for 1917-1918 for the cost of a special officer and an additional temporary establishment on the basis of the previous expenditure.

A draft order is submitted for approval. If approved it may be forwarded to the Financial Department for acceptance.
