There is no information in the Secretariat on the point referred to by the Additional Member. In connection with the submission of proposals for the utilization of the Imperial recurring grant of Rs.30,000 for Muhammadan education, the D.P.I. reported that separate figures regarding the total fee ~~remix~~ remissions to Muhammadans alone were not available and that the fee income foregone from Muhammadans and pupils of all backward classes might be approximately taken at Rs.40,000 per annum. This ~~fix~~ figure apparently refers to aided schools and not to schools under public management, with which the question is concerned. Further the figure does not include statistics relating to girls.

2. It is for consideration whether the D.P.I. may be asked in the first instance to state if he could furnish the accurate figures for each of the classes referred to in the question. Probably he ~~is~~ may not be able to give the figures immediately. As the statistics are only in respect of secondary schools under public management, it may not be impracticable or

time may be taken in ^{the} compilation. If approved, it
 may perhaps be said in answer to the question ~~now~~ that
 "The information required is not available with ~~the~~
 "Government. It will be called for and furnished to
 "the Honourable Member ~~if~~, if he chooses to repeat his
 "question" at a subsequent meeting of the Council."

We could of course ask these firms
 by writing to all the local bodies which
 have secondary schools but it would
 be a lot of trouble for, I should say, very
 little, if any, good. If the members
 would require that they are doing so we
 could perhaps satisfy them sometimes
 without the compilation of the elaborate
 returns they so often ask for.

It is for orders whether the D.P.I. should be asked to undertake the compilation, or whether the Additional member should be asked for the object ~~from~~ of the interpellation. In the latter case an administrative reply ~~has~~ to be given. It, however, seems unusual to ask for the object.

CR
17.11.15

We may perhaps reply

The figures are not available and the trouble involved in collecting them would, so far as Government are aware, be quite out of proportion to any benefit that would result.

~~It is proposed to consider~~

With the D.P.I. please consider whether these figures would not be useful as showing the cost of these concessions, and whether it would be worth without great additional labour

to obtain them annually in future years.

The object of the question seems fairly clear, and reasonable, provided always that it is not unreasonably difficult to attain.
