Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department (through the Accountant-General, Madras).

Dated—Madras, the 14th August 1916.

No.—Cur. 6650.

Building grants sanctioned for European Schools are drawn on bills prepared in the form prescribed in Appendix X to the Code of Regulations for European Schools. These bills are not countersigned before payment either by the Inspector of European and Training Schools or the Director. A case has occurred in which grant was drawn by the correspondent of a European school before its payment was authorized. As a safeguard against such irregularities, it is desirable to prescribe countersignature in the bills. Further, I may mention that building grant bills of non-European schools are countersigned by the Director, and there seems to be no reason why a different procedure should prevail in regard to European schools. I have, therefore, the honour to request sanction for prescribing the countersignature of the Deputy Director of Public Instruction in the building grant bills of European schools. If this change is sanctioned, the following addition will be made at the bottom of the form in Appendix X to the Code of Regulations for European Schools :—

"Countersigned,"

"Deputy Director of Public Instruction."

2. In a separate letter I am requesting sanction for the change from the "Director of Public Instruction" to the "Deputy Director of Public Instruction" in regard to the countersigning officer prescribed for building grant bills of non-European schools.

II

Endorsement of the Accountant-General, No. T.M. 26-11706, dated 14th September 1916.
