[Despatch Abstract.]

Conference.

Approving the action of the Director of Public Instruction in having invited the Reverend Mother Aloysia and Miss Campbell to attend the ——— on female education.

From

The Catholic Association of South Canara

Mangalore.

To

The Secretary to the Government of Madras

Local and Municipal Department,

M A D R A S .

Through

The Collector of South Canara.

Sir

From the " Madras Mail " of August 30 we learn that a Conference on Female Education will be held in Madras early this month.

The subject of Female Education is one of those in which the Catholics of the Diocese of Mangalore, which includes the two Districts of South Canara and Malabar are more interested than any other Community. A reference to the list of Recognised Girls' Schools and their staff will show that the work of Female Education in these two Districts is to a large extent carried on by Catholics and certainly the Catholics have under their management a larger number of Secondary and Elementary Schools for girls than any other Community.

Such being the case we venture to request that the Catholic interests of South Canara and Malabar in Female Education be represented at the Conference by a Catholic educationist from one of these two Districts.

We notice that Mrs. N. Subba Rao of Mangalore has been invited to the Conference and we have nothing to say against her appointment. We may however be permitted to state that she would not be able to represent the interests of our Community on the several matters affecting Female Education on this Coast.

We beg to represent that the Rev. Mother Aloysia, Head Mistress of the St. Ann's High School and Training School for

girls in Mangalore would be the most suitable person to represent our interests at the Conference and we shall deem it a favour if you will be so good as to arrange that she may be permitted to attend the Conference.

We have the honour to be,

Sir,

Your most obedient servants,

The constitution of the proposed conference on female education has already been settled. -
 (18) Note G. S. No. 866 Edn. 2, dt. 12th Aug, 1916.
 In addition to the members appointed in the No. referred to above, Mr. Gabe has also been recently appointed to be a member and Secretary to the conference.

The Ruler of Pithapuram having since expressed his inability to attend the conference, it has been proposed to ~~first~~^{appoint} Miss Patterson, as Inspector of Schools, in place of the Ruler and to draft to this effect was circulated to H. E. the Government yesterday.

2 With reference to the telegram on the previous ^{day} it will be observed that the J. P. D. in his d. o. of the 21st July 1916 proposed ⁽²⁾ Master Hlopia of the St. Ann's Convent, Mangalore, as a member ~~with~~ the conference but that his name was omitted in the revised list adopted under this Excellency's order. vide page 6 of the notes with G. the said. Motion should now be appointed a member of the conference. It may be noted that the strength of the conference, viz., 24 (including Mr. Yates) is already ~~in excess of~~ the number ~~planned~~ ^{originally} contemplated and that any further addition thereto may possibly render the conference an unwieldy body.

To represent the ~~Catholic~~ Roman Catholic Mission institutions there is already the Honble Most Rev J. Allen.

I have no list of the members of the conference here but my impression is that the Roman Catholics are not largely represented. I only remember Archbishop Aelen.

I suggested the lady referred to but His Excellency did not approve her. Of course there is no need to appoint any one with a view to merely local controversies. If another Catholic is to be added the Mother Superior would be suitable enough.

Yours sincerely,

W. H. H.

My dear Diwan Bahadur,

Some of the people who took part in the Conference on Female Education were not formally appointed members. They are ^{P. R. Kugler} ~~Miss Kugler~~ and Miss Campbell. The latter was only to be summoned in case ^{Miss Kugler} ~~the former~~ could not come. As however I had not heard whether Miss Kugler was coming I asked Miss Campbell to attend so as to ensure a lady medical representative.

I was never formally ordered to preside.

I do not know whether Government will think it necessary to issue formal orders on these points.

Yours sincerely,

To

None - (Ed. 4)

Please see the office note at 'A' on page 9 and Mr. Shonis D.O. on page 10 ante. It is ~~concerned~~ that formal orders ^{may be} issued appointing the Rev. Nathan Olysis a member of the Conference as otherwise the A. G. may object to her drawing travelling allowances. In the case of Miss Leampbell, Samuel's appointment is not necessary on audit grounds; nevertheless it seems desirable that she too should be appointed by the Govt. just as the other members of the Conference were.

2. No formal orders seem to be necessary in regards to the Presidency of the Conf. which came to a close.

3. A draft order is submitted.
