Sir, Through

The Director of Public Instruction &

The President District Board,

Chittoor

Sir,

I have the honour to bring to the notice of Government the following facts for favour of consideration and issue of early orders:-

The grants allotted to this Taluk Board for the -- construction of school buildings for the last 4 years have all been completely spent to the last pie with the result that

that the excess expenditure of Rs. 308-5-10 over the grant had to be met from the ordinary resources of the Taluk Board during the year 1915-1916. Now the District Board Engineer Chittoor wants a sum of Rs. 436 for the completion of certain school buildings which are incomplete and would be completed shortly.

Further, several school buildings are in urgent need of ~~extension~~ ^{expansion} owing to the increase of strength. In some of the villages where schools were newly started, suitable buildings are not available even for high rent and the --- Educational Officers are suggesting the construction of --- at least thatched buildings with mud walls, as in some --- schools admission was prohibited for want of accommodation.

In some schools, wells have to be sunk as in their absence gardening is much neglected. The present financial position of this Taluk Board does not admit of much expenditure in this direction and as there is no probability of expecting any grant from Government for the purpose, I request that the Government will be pleased to sanction the transfer of the savings of Rs. 2024/- available under the grant allotted in Government Order No. 744 Educational -- dated 7th July 1915 for the maintenance of schools, for -- extending the school buildings, sinking wells in certain -- schools and for meeting the amount required for incomplete works of constructing school buildings. A list of buildings which are in need of extensions etc., is herewith -- enclosed for favour of perusal. The Taluk Board will -- maintain the buildings from its own resources after construction as required by G.O. No. 1448 L., dated 7-10-1915.

I have the honour to be,

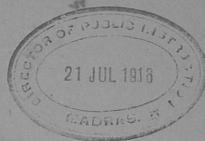

Sir,

Your most obedient servant,

Prinwasa Chaw
