The Inspectress of Girls' Schools, Southern Circle, reports that the strength of the third class in the school has increased to 58 and is likely to go up further and that it has to be divided into two sections for which an additional teacher is absolutely necessary. She further states that the present third, ~~fourth~~, fifth, sixth and seventh assistants who are trained secondary grade teachers have been working in the school on low salaries and that they have had no promotion for a long time and she requests sanction for the creation of a post on a higher salary so as to facilitate the promotion of some of the deserving members of the staff on Rs. 50 - 2 - 60 and less, the proposed additional teacher for the third class being given a place on Rs. 25 - 1 - 30.

I agree with the Inspectress in thinking that an additional teacher for the second section of the third class is urgently needed and that the opportunity may be taken to create a post on a higher salary for the reasons already explained. I accordingly propose a salary of Rs. 75 per mensem for the additional post, this rate being fixed so as to fit in with the scale of salaries. I intend proposing

in connection with the scheme for the reorganization of Government Girls' schools. It will also bring the scale of salaries in the school nearer to those sanctioned for the other Government girls' schools and training schools.

3. The extra cost on account of the proposal during the current year will amount to Rs. 450 and I submit herewith for the sanction of Government the necessary reappropriation statement.

I have the honour to be,

Sir,

Your most obedient servant,

For Director of Public Instruction.

Appt. of a teacher on Rs 75 p.m in the

Govt. Girls School, Cannanore.

From Dir. Pub. Instr. R.C. 4903 of the 24. Aug 1916.

Enst. of Acct. Genl. No. Mal. 2.-11183, of the 5 Sep 1916

For Regr.

The Dir. of Pub. Instr. requests sanction for the employment of an addl. teacher on Rs 75 per mensem in the Govt. Girls school, Cannanore with a view to

(a) the employment of a teacher on Rs 25-1-30 in the Third class as a new section of which is to be formed, and

(b) the promotion of some of the teachers on Rs 50-2-60 and less.

2. That a case has been made out by the Dir. of Pub. Instr. for the urgent increase in the existing staff by one teacher ~~may~~ ^{might} be accepted. ~~But~~ ^{that} it is ~~submitted~~ ^{no} case has been made out for the ^(payment to the) additional teacher ~~a~~ a salary of Rs 75 p.m

3. The D.P. J. proposes this salary with the object of

(i) giving promotion to the teachers of the school on a salary of Rs 50-2-60 and less,

(ii) fitting in this salary with the scale of salaries the D.P. J. intends proposing in connection with the scheme for the

[C.3263]

Reorganisation of Govt. Girls' schools.

These reasons do not, it is submit, appear to be of such an urgent and imperative nature as to necessitate the employment of a teacher on a salary of Rs 75 per mensem.

4. In view of the above and of the statement of the Dir. of Pub. Instr. that the new teacher to be employed will be on Rs. 25-1-30, it is submit, sanction may be accorded for the employment of an asst. teacher at on Rs 25-1-30 per mensem

with effect from the 1st October 1916. instead of from the 1st Sept 1916 as proposed by the D.P.O.

5. Of the above views are concurred in the case may be passed on to the F. & A. Dept (F. & A. section) for acceptance of remarks.

For the U.S. Financial Dept.

The Home (Education) department propose to employ an additional teacher on Rs 25-1-30 in the Government Girls' School, Tananore for the third class, which is to be divided into two sections owing to the increase in the number in the class. It is apparently the intention that the teacher should be permanent, but his ^{continued} employment evidently depends on the number in the class remaining so high as to ^{require} ~~maintain~~ two teachers always.

If the Home (Education) department are satisfied as to the necessity for a permanent teacher, the proposal to employ a teacher on Rs 25-1-30 p.m. may, it is submitted, be accepted; if, however, it is ^{thought} ~~deemed~~ that the employment ^(of the new teacher) should only be temporary ^{for the present} a pay of Rs 25 p.m. may be allowed. The extra cost during the current year is to be met by reappropriation - vide page 4 C.F.

Please see Finl. notes on the previous page. The asst. teacher may, it is subd, be for the present only temporary, in as much as the sanction now accorded is in regard to the strength of the III class and possibly this strength may not be maintained in that class during the coming year. The question of a ^{permanent} teacher will doubtless be considered in regard to this school, when the reorganisation of Govt. girls' schools in general is taken up.

2. It is subd that the suggestion of Rs 25. may be accepted and sanction

accorded for one year, pending the proposed scheme for the reorganisation of Govt girls' schools.

3. If the above view is concurred in, the extra. cost during the current year will be Rs 125. The reapp: stat submd by the D.P.D. has been suitably amended and this amended stat: requires Finl. sanction.

4. Draft subd for approval, ~~may be sent to the concurrence of the Home. Dept.~~
