Sir,

In submitting herewith the plan and estimates amounting to Rs. 8605/- as shown in the margin in connection with gas and water fittings, drains, fume cupboards etc., for the Physical and ~~the~~ Chemical Laboratories of the Maharaja's College, Vizianagaram, I have the honour to state that the Correspondent requests sanction of a grant not exceeding one-half of the estimated cost as additional to the grant sanctioned in G.O. No. 305 Educational dated 19th March 1914. As it appears ~~4~~ at the major portion of the present estimate should more properly be classed under Chapter IX than under Chapter VIII of the Grant-in-Aid Code and as it would be the simplest course to sanction the grant under Chapter IX, I recommend that a grant not exceeding one-half of the estimated

cost i.e., Rs.4302/- may be sanctioned under Rule 57 of the Grant-in-Aid Code to be paid as funds become available on submission of the necessary vouchers before 1st March 1917.

2. The Professor of Physics of the Presidency College, who examined the plan and estimates for the gas and water fittings, fume cupboards and drains, is of opinion that they appear to be complete and to have been carefully drawn up and that they may be considered satisfactory and be accepted.

I have the honour to be,

Sir,

Your most obedient servant.
