I have the honour to forward herewith for favourable consideration, the letter with its enclosure received from the District Munsif of Kurnool, No.159 of the 16th instant, for permanent exemption from the examination rules of K.Ramanna, 3rd clerk on Rs.20/- of his Court, under the circumstances therein represented and to recommend strongly that the High Court may be pleased to obtain the permanent exemption applied for.

2. The clerk K.Ramanna is well spoken of by all the successive District Munsifs under whom he has served and ^(see) in my opinion, richly deserves the concession applied for. I know him well personally. He comes from a backward caste of weavers of this backward District and deserves encouragement.

To

The District Judge,

Kurnool.

Sir,

I have the honour to forward for your favourable consideration a petition of the Sub-protem Deputy Nazir of this Court and for addressing the Government to exempt him permanently from the Examination rules. I have known him ever since I took charge of this Court and I have had no -- occasion to find fault with him at any time. He is in -- charge of the execution work and has been attending to it very satisfactorily. As the work of this Court increased a good deal and as there are arrears in every branch of the -- work, I asked him to attend to the execution work also in -- addition to the duties of Deputy Nazir and he is now practically doing the work of 2 Clerks, and that satisfactorily. He is the permanent 3rd Clerk of this Court and when the -- scheme of the increase of pay of the Clerks which was recently sanctioned by the Government comes into force, he must get Rs.30/- pay as 3rd clerk of this Court. If he is not exempted from the Examination rules a grave injustice will be done to him. He has put in a long service and the certificates he holds from the officers who presided over this -- Court show that he is a capable clerk and he certainly deserves to be exempted from the Examination rules. I request

1. K. Ramanna is an excellent clerk. He is a valuable acquisition to any Court. I think he will be transferred -- permanently to this Court in due course.

2. I have not had any occasion to scrutinise Ramanna's work. I know he is well behaved and quiet going.

3. Ramanna is intelligent and discharged any duty entrusted to him satisfactorily. I think he will do even execution side business efficiently in due time. I am certain that he will prove an efficient Process Writer as he writes very neatly and rapidly.

(Sd) V. Krishnamurthi, 6-4-02.
 District Munsif.

4. Ramanna is in charge of the work connected with the execution of decrees. He is doing his work without any complaint and with all possible despatch. Though he is the last clerk in the office he is doing the most difficult and important work. He has given me complete satisfaction. He is an intelligent and pains taking man. His behaviour is excellent. He was never absent from his work even for a day. He knows every branch of business in the office. He can be entrusted with any work. I recommend him to the favourable notice of my successor. He deserves to be appointed as a First class Amin.

5. Ramanna, Execution clerk, District Munsif's Court Kurnool who worked under me during the two years of my tenure as District Munsif of Kurnool has given me entire satisfaction in the discharge of his duties. He knows all branches of work in a District Munsif Court. He was at one time both a Bench clerk and Execution Clerk and he was not found wanting in any way. He is quite modest and well-behaved. I hope his claims to Reputy Nazirship when it falls vacant will not be overlooked.

6. K. Ramanna 3rd Clerk. Though this clerk knows very little English his work is good. He can very well manage any department of work in this Court. He deserves promotion. I tried my best to give him promotion but the Educational rules stood in his way. I very much sympathise with him.

(Sd) B. Venkateswara Rao, 15-8-13.
District Munsif.

7. K. Ramanna was a clerk under me for over 2½ years when I was District Munsif of Kurnool. He writes a neat hand and -- knows the routine of execution work very well. His manners are pleasant and he does not spare himself in his devotion to his work. Though not qualified according to Educational rules I think he deserves promotion to higher grades and I would have recommended his promotion to such grades if an opportunity has occurred in my time when I could give him encouragement without doing injustice to his seniors.
