Station MADRAS, Dated the 27th JULY 1916.

From (Name) The Hon. Mr. V. H. Stone M.A., F.R.H.S., C.I.E.,

(Designation) Director of Public Instruction,

Madras.

To The Secretary to the Government of Madras,

Educational Department.

Sir,

I have the honour to address Government on the question of payment of remuneration to the examiners appointed in connection with the Sub-Assistant Inspector's and Supervisor's Tests and to propose a suitable ^{scale} ~~rate~~ of remuneration for them.

2. At present, a fee of Rs. 12 is paid by each candidate for Part I of the Sub-Assistant Inspector's Test, and a fee of Rs. 3/- for Part II, and similarly a fee of Rs. 3/- is levied from each candidate for the Supervisor's test, but no remuneration whatever is allowed to the Examiners conducting those tests with reference to para 2 of Government Memorandum No. 1728 dated 17th August 1897 as it was thought at first that the work would involve little

little strain and responsibility on the members of the Board of Examiners in view of the comparatively small number of candidates ^{that present themselves} for the examination for a few years after the introduction of the revised notification sanctioned in G. O. No. 332 Educational dated 30th May 1898.

The work has, however, considerably increased of late, owing to ^{the} increase in the number of Sub-Assistants and Supervisors and the consequent increase in the number of candidates who appear for these examinations as will be observed from the entries in the subjoined statement which furnishes particulars with regard both to the number of candidates who appeared for these tests and the examination fees collected from them during the last ten years:—

Year.	Sub-Assistant Inspector's Test.			Supervisors' Test.		Total.	Remarks.
	No. of Candidates for Part I.	No. of Candidates for Part II.	Amount realized from fees.	No. of candidates.	Amount realized from fees.	Amount realized from fees.	
			Rs.		Rs.	Rs.	
1907.	33	...	396	41	123	519	The figures in this statement relate to candidates who applied for the tests and remitted fees into the Treasury.
1908.	38	...	456	54	152	608	
1909.	28	...	336	76	228	564	
1910.	48	...	576	123	369	945	
1911.	40	...	480	82	246	726	
1912.	39	...	468	70	210	678	
1913.	91	...	1092	109	327	1419	
1914.	88	25	1131	97	291	1422	
1915.	92	35	1209	66	198	1407	
1916.	72	59	1041	62	186	1227	

Another factor tending to the increase of work is the inclusion of the linguistic test in the list of subjects laid down for the

(N) Sub-Assistant Inspector's Test under G. O. No. 467 Educational dated 21st May 1913 as a substitute for the Translation Test, Lower Grade, controlled by the Commissioner for Government examinations.

3

Since a not inconsiderable amount is realized every year in the shape of examination fees, it does not appear reasonable to expect the examiners who ^{are} a busy body of inspecting officers to do the work of setting questions and valuing the answers gratuitously. In the Special Tests conducted by the Salt and Abkhari Department, the examiners are, I understand, remunerated for their work; and even in the Educational Department, remuneration is allowed to the examiners who conduct the examinations for Teachers' Certificates. There is therefore no reason why the examiners for the Sub-Assistant Inspector's and Supervisor's Tests alone should not be compensated for ^{the} additional work thrown on them.

3. I beg accordingly to propose for the sanction of Government the following scales of remuneration for the two tests with effect from the examinations to be conducted in April 1917.

Papers.	Sub-Assistant Inspector's Test.		Supervisor's Test.	
	For setting.	For valuing.	For setting.	For valuing.
Inspection Code paper (3 hours).	Rs. 25	12 annas.	Rs. 15	8 annas.
Educational Rules paper (3 hours).	" 25	12 annas.	" 15	8 annas.
Language paper. (3 hours).	" 25	12 annas.	" ...	...
Grant-in-Aid Code paper (2 hours).	" 15	8 annas.	" 15	8 annas.
Educational statistics paper. (1 hour).	" 10	4 annas.	" ...	

I beg to add that if the above rates be adopted, the examinations will still be more than self-supporting, while the work will be done more heartily and punctually.

It may also be remarked that the inspecting officers are at

Sir,

In reply to Government memorandum No.2773-2 dated 16th September 1916 regarding the proposed scale of remuneration to the examiners in connection with the Sub-Assistant Inspector's and Supervisor's Tests, I have the honour to state that the matter is not of any "Imperative and immediate necessity" but that if the examinations are to be efficiently conducted, it is extremely desirable that the examiners who are Inspecting officers should be suitably remunerated for the extra work entailed on them and that it seems unnecessary to postpone the consideration of this proposal, especially as the extra cost is but trivial, being about Rs.600/- only per annum.

I have the honour to be,
Sir,
Your most obedient servant.

2 There were 72 candidates for the sub assistant inspectors' list, 59 for linguistic list and 62 for supervisors' list. Calculating the remuneration according to the scale in para. 3 of the current letter, the amount comes to Rs 575 nearly. The running liability may be roughly taken at Rs 600.

3 The necessity for the grant of the remuneration is explained in para 2 on page 3 CF and para 3 on page 4 CF. From the reasons given in these paras, it would appear that it is only equitable that the examinees who conducted the sub-assistant inspectors' and supervisors' lists should get the remuneration now proposed. But the examinations have been so long conducted without remuneration and it is very desirable that as much economy as is possible should be insisted on at the present time, it is for consideration whether the proposal to grant remuneration recommended should not be put off for one or two years.

There is no audit objection to the proposal of the Director of Public Instruction being sanctioned by Government under rule IV(2) of the Government of India, Finance Department Resolution No. 249 E.A. dated the 15th July 1912 if they are satisfied that the work of setting the question papers and valuing the answer papers of the tests referred to is of such an arduous or special nature as to justify a special remuneration.

2. The expenditure is not, however, of a remunerative character and it is for Government to decide whether it is of immediate or imperative necessity - vide Government ^{Confidential} Memorandum No. 3349-1 Financial dated the 28th December 1915.

3. If the proposal is sanctioned, the Director of Public Instruction will include necessary provision in the next year's estimates.

Please see the Accountant General's note above. It is for orders whether for the grant of remuneration to examiners will be approved.

2. In a comparison of the scale of fees now proposed and that paid for conducting official tests in the Salt and Alkali Department and examinations for Exchanges certificates please see statement on pages 3, 5 & 6. Cf. It will be seen therefore that the scale now proposed is comparatively less than that paid for the two examinations above referred to.
