14	The Hon'ble Mr. Zahir al-Ahidi.	344	That secular education may be given to those who are now situated purely in Arabic or Persian.	..	..	..	As stated against item 13, one of the main functions of the new Muhammadan sub-assistants is to attempt to introduce secular education in Roman script and to exercise administrative and financial control wherever possible.	G.O. 28-9-16. No special action is proposed not seems needed. C.R.—28-9-16.
15	Do.	344	That Muhammadan students in schools and colleges should be encouraged to spend time in Arabic and Persian.	..	..	..	The Government have already provided for this by approving the Director's proposals for the affiliation of the Presidency College in Urdu, Persian and English to the Government College, Calcutta.	The question has been raised in several occasions and has been dropped as impossible. C.R.—28-9-16.
16	The Hon'ble Mr. A. T. G. M. Ahmad, Durrani Marikhyar.	345	That Government will direct that only half fees from Muhammadan pupils as in the case of public management.	..	..	..	Since rule 83 of the Educational Rules leaves the rates and levy of fees in the hands of the directors of managers, the Government is not to force the management to adopt the rule of half fees. In reply to a question on this subject asked by the Hon'ble Mr. V. K. Ramaswami, Secretary to Government, the Government stated that they were not prepared to interfere in the matter—G.O. No. 1180, Educational, dated the 10th December 1916.	The question has been raised in several occasions and has been dropped as impossible. C.R.—28-9-16.
17	Do.	345	That in big Muhammadan centres such as Trichinopoly and Calcutta, Government will give towards the construction and maintenance of hostels in addition to the stipend given to the managers.	..	..	..	In the course of the debate on the subject for 1913-14, the additional member made the same suggestion. It was pointed out that the Government had been requested for the establishment of hostels for Muhammadans in either of the centres referred to and that if any such scheme came to fruition the claim for a grant would be considered. It was also stated that the Government had formulated for the "welfare of a hostels" at Georgetown intended exclusively for Muhammadans and this had the liberal support of the Government—a full grant of Rs. 32,700 was sanctioned for the purpose—vide G.O. No. 1045, Educational, dated the 14th September 1914.	Revised budget 4/
18	Do.	345	Grants were given by the Government for the construction of buildings for two Muhammadan students in the city of Nagapattinam. A grant of Rs. 5,000 in addition to the stipend given to the managers may be given to the Municipal Council as it will not be able to meet the expenditure from its ordinary sources.	..	..	..	At the meeting of the Legislative Council held on the 15th March 1915 the Honorable Member P. was told that the Government had been requested to make an attempt to meet his wishes. No such application has as yet been received. If and when it is received, it will be considered. It was also stated that the Government had sanctioned a grant of Rs. 5,000 at present (G.O. No. 483, Educational, dated the 3rd July 1915).	C.R.—28-9-16.

Serial num.	Name of the additional member who made the speech.	Page of the proceedings.	Nature of the recommendations made.	Name of the Member replying.	Page of the proceedings.	Nature of reply.	Office-note regarding action to be taken.	Officer's remarks.
23	The Hon'ble Mr. E. R. V. Krishna Rao.	323	That in the classification of a class as backward, poverty rather than caste should be the test.	..	..	..	At the recent educational conference the Hon'ble Mr. Ramagundra Rao made an almost similar suggestion. He suggested that the backwardness of a class should not be judged by its caste but by its economic and social conditions. The question of backwardness and poverty do not always go together—paragraphs on pages 24 and 25 of the report of the conference under examination in connection with the proceedings of the educational conference; and no action was necessary on the Additional Member's suggestion.	le
24	The Hon'ble Mr. B. V. Venkataswamy.	327	Steps might be taken for giving greater facilities for the education of Muhammadans in Salem.	..	..	..	This point may be considered and referred to the Director of Public Instruction for report.	It is not known what is contemplated.
25	The Hon'ble Mr. B. Venkataswamy.	372	The admission of a large and more representative body of students to the Government Medical College and in the Syndicate of the University.	..	..	..	The <i>Syndicate</i> of the University consists of— (1) the Vice-Chancellor (now an Indian); (2) the Vice-Chancellor; and (3) ten members elected by the Senate. As no nominations are made by Government to fill up vacancies on the <i>Syndicate</i> , the Government consists of members partly elected by registered graduates and by faculties and partly nominated by Government. The Government has not elected a sufficient number of Indians represented on the Senate. No appeal action seems therefore necessary.	C.R.—28-9-16.
