Enclosure.

From the Board of Revenue, Separate Revenue, Reference on C.R.No.1931 Salt, dated the 20th September 1916.

Reference.

In G.O.Mis.No.234 S.R., dated 24th March 1916, Mr.C.S.B.Stricke was temporarily reverted from Inspector IV grade sub-protem to Assistant Inspector I grade for failure to pass test B-I in the higher grade. He passed the test at the examination held on 1st July 1916 and with reference to the orders in para 2 of G.O.No.3002 Rev., dated 10-10-11, the Board now recommends that he may be restored to his former place with effect from 1-7-16. As the vacancy caused by the temporary reduction of Mr.Stricke, was filled up in the last April promotions, he may now be restored to Inspector 4th grade sub-protem vice Mr.E.J.A.Macmillan, Inspector 4th grade, on military duty.

2. The Board also recommends that Assistant Inspector M.R.Ry. A. Venkateswami Naidu, may be exempted from passing test B-III higher. He was promoted to Assistant Inspector 1st grade with effect from 1st September 1913 and completed his Engineering training on 28th November 1913. He failed to pass tests A and B-II and III by the higher grade within 2 years from the date of his promotion and test D-II at the examination held in January last. He was therefore temporarily reduced to Assistant Inspector II Grade in Board's Proceedings No.767-Salt, dated 9th March 1916. He has passed tests A and B-II higher and D-II at the examination held in July last and has yet to pass test B-III(higher) though he has already passed the test by the lower grade. He now requests that he may be exempted from passing test B-III. The local officers strongly support his request. In view of his age (45 years on 31st March 1916) and service of over 26 years in the Department and of the fact that he made a real attempt to pass the tests, the Board recommends that he may be exempted from passing the test.
