*Letter*—from F. DEWSBURY, Esq., B.A., LL.B., Registrar, University of Madras.  
*To*—the Secretary to Government, Home (Education) Department.  
*Dated*—Senate House, the 15th August 1916.  
*No.*—6456.

In connection, mainly, with the schemes sanctioned by the Government for the utilization of the Government of India grants to the University, the Syndicate proposes to undertake from time to time the publication of theses, lectures, researches, translations, etc., the work of University Professors, Readers, and others, and is already in possession of material suitable for the purpose.

Though the amount of publication will in all probability be small for some time to come, the Syndicate is desirous of commencing upon a proper basis and is not satisfied that the machinery now existing for the production and distribution of the official annual publications of the University is suitable for the present purpose, more especially in the matter of distribution and sales.

As the result of inquiry the Syndicate is of opinion that the most satisfactory method of arranging for the publication, distribution, and sale of the works above mentioned would be an arrangement with the Government Press, whereby the existing organization dealing with the Government publications might be utilized for those of the University.

The Superintendent of the Press, who has been interviewed on the matter, has offered the opinion that there is no inherent difficulty in the adaptation of this organization for University purposes, and he has authorised the statement that he would have no objection to the Press undertaking the work of publication for the University and of distribution through the Agents for Government publications. He suggested that the arrangements made with these agents should be similar to those made by them with the Government. The Press could retain custody of the stock of University publications, making quarterly returns of sales to the University; such stock being held, however, at University risk.

I am directed therefore to request that the Government will be pleased to pass orders sanctioning the printing of University publications by the Government Press and their distribution to and sale by the Agents for Government publications as proposed above.

**Memorandum No. 3022-1, Home (Education), dated 5th September 1916.**

With reference to the enclosed letter from the Registrar of the Madras University, No. 6456, dated the 15th August 1916, proposing for the approval of Government certain arrangements for the printing, distribution and sale of certain University publications by the Government Press, the Superintendent, Government Press, is requested to report whether he anticipates any, and if so what, charges in connection with the proposed arrangements, besides those payable as commission to agents.

*Letter*—from T. FISHER, Esq., I.S.O., Superintendent, Government Press.  
*To*—the Secretary to Government, Home (Education) Department.  
*Dated*—Madras, the 8th September 1916.  
*No.*—5091.

With reference to Home (Education) Department Memorandum No. 3022-1, dated 5th September 1916, the Superintendent, Government Press, does not anticipate that there will be any additional cost to Government by taking over the University work. The work is so small that it can be fitted in with our own publications. The cost of printing plus 25 per cent will be charged as usual, and the 33½ per cent on sale price allowed to agents will also be drawn as profit by the Government Press, and our sales are usually much larger than those of any of the agents.

2. There is therefore no objection to the proposed arrangement, and it may be accepted subject to the conditions that—

- (1) Government work is at all times to have preference to University work.
- (2) Free copies, etc., are to be distributed by the University.
- (3) The books will be stored under the same conditions as Government publications, but Government is not to be held responsible for any damage by fire, insects, etc., or other loss.
- (4) That if the stock at any time becomes too large for the accommodation available, the University must make its own arrangements for keeping it.

3. It is presumed that the repayment to the University of money collected on its behalf less the commission will, under the Civil Account Code, have to be made by "refund", as has been done in the case of private works allowed to be published at the Government Press.

4. It is also for consideration whether the books should be advertised free in the Gazette and our sale lists like Government publications or whether a charge should be made. It would be very small.

**Memorandum No. 3022-2, Home (Education), dated 20th September 1916.**

With reference to the Registrar's letter No. 6456, dated the 15th August 1916, regarding the printing and sale of the work of University Professors, Readers, etc., by the Government Press, the Syndicate of the Madras University is requested to report whether they agree to the conditions specified in paragraphs 1 and 2 of the letter from the Superintendent, Government Press, No. 5091, dated the 8th September 1916, copy of which is enclosed.

*To*—the Secretary to Government, Home (Education) Department.  
*Dated*—Senate House, the 12th October 1916.  
*No.*—8005.

With reference to Memorandum No. 3022-2, dated 20th September 1916, I have the honour to state, by direction, that the Syndicate accepts the conditions specified in paragraphs 1 and 2 of the letter from the Superintendent, Government Press, No. 5091, dated 8th September 1916, referred to therein, in connection with the proposed printing and sale of University publications by the Government Press.

**Order—No. 1129, Home (Education), dated 27th October 1916.**

The Superintendent, Government Press, will be authorized to undertake the printing and sale of the University publications referred to in the first of the Registrar's letters read above, subject to the conditions specified in paragraphs 1 and 2 of the letter from the Superintendent, Government Press, No. 5991, dated the 8th September 1916.

2. The Government do not consider that the University should be charged for the advertisement of the publications in the *Fort St. George Gazette* and in the sale lists issued by the Press.

NOTES CONNECTED WITH G.O. No. 1129, HOME (EDUCATION),  
DATED THE 27TH OCTOBER 1916.

[SUBJECT.—*Printing of certain University publications at the Government Press.*]

*From the Registrar, University of Madras, dated the 15th August 1916, No. 6456.*

The Syndicate's idea to arrange for the printing and publication of the work of University Professors, Readers, etc., seems to be commendable. As it has no suitable machinery for the purpose, it is proposed to enter into an arrangement with the Government Press whereby the existing organization dealing with Government publications might be utilized to get the University publications in question printed and sold. The proposal appears to be unobjectionable and the Superintendent, Government Press, who was consulted by the Syndicate, is said to be agreeable to the arrangement.

2. Apparently the University will bear the cost incidental to the arrangement. It may however be well to make the point clear by a reference to the Syndicate. A draft memorandum is submitted for approval.

E.A.V.—21-8-16.

T.K.—23-8-16.

As for the commission to the *agents*, the University will pay. It does not appear that any other charges are likely to be incurred on this account at the Press. Perhaps the Superintendent, Government Press, may first be asked u.o. to state whether he anticipates any charges besides the commission to the *agents*. It might be better to give some idea on the matter to the Syndicate.

C. RAMANUJA ACHARIYAR—25-8-16.

[Memorandum No. 3022-1, Home (Education), dated the 5th September 1916.]

*From the Superintendent, Government Press, dated the 8th September 1916, No. 5991.*

A copy of the letter from the Superintendent, Government Press (paragraphs 1 and 2 only), may be communicated to the Syndicate and they may be asked if they accept the conditions proposed therein.

2. The presumption in paragraph 3 of the Superintendent's letter seems to be correct.

3. As the Government Press is to be allowed a discount of 33½ per cent on the sales effected by it, it may not be fair to charge the University for advertisement in the *Fort St. George Gazette* and in the sale lists issued by the Press. Further the Superintendent, Government Press, states that such cost will be very small.

4. A draft memorandum to the Syndicate of the University is submitted.

2. As regards printing, the University is to be debited with the cost of printing *plus 25 per cent.* Thus the condition laid down in paragraph 6 (ii) of G.O. No. 441, Public, dated the 20th May 1939, for the execution of private work at the Government Press is satisfied.

3. Please see paragraph 4 of the letter from the Superintendent, Government Press, referred to in paragraph 1 ante and paragraph 3 of Home (Education), office note at top of this page. The press is to be allowed the discount of 33½ per cent on the sale price for doing work as *agents for the sale of University publications*. This is the discount usually allowed to agents for the sale of Government publications—cf. paragraph 5 of agreement on page 3 of G.O. No. 101, Financial, dated the 9th February 1907. It is submitted that the fact that the Press is to be allowed this discount cannot by itself be a sufficient ground for not charging the University with the cost of publishing the advertisements. However, the Superintendent, Government Press, says the cost would be very small. Please see also in this connection paragraph 6 of G.O. No. 690, Public, dated the 15th September 1905, directing the publication of the *notices of the University* of Madras without charge. Similarly the University may be excused the cost of publishing the advertisements.

Perhaps the Superintendent, Government Press, may first be asked to state whether he anticipates any charges besides the commission to the agents. It might be better to give some idea on the matter to the Syndicate.

Yes. Please ask by official memorandum.

From the Superintendent, Government Press, dated the 8th September 1916, No. 5091.

A copy of the letter from the Superintendent, Government Press (paragraphs 1 and 2 only), may be communicated to the Syndicate and they may be asked if they accept the conditions proposed therein.

2. The presumption in paragraph 3 of the Superintendent's letter seems to be correct.

2 NOTES TO G.O. No. 1129, HOME (EDUCATION), 27TH OCTOBER 1916

3. As the Government Press is to be allowed a discount of 33½ per cent on the sales effected by it, it may not be fair to charge the University for advertisement in the *Fort St. George Gazette* and in the sale lists issued by the Press. Further the Superintendent, Government Press, states that such cost will be very small.

4. A draft memorandum to the Syndicate of the University is submitted.

The Syndicate accept the conditions specified in paragraphs 1 and 2 of the letter from the Superintendent, Government Press.

2. A draft order asking the Superintendent, Government Press, to undertake the work in question is submitted. If approved, it may issue with the concurrence of the Public and Financial Departments.

PUBLIC (I) DEPARTMENT.

The Superintendent, Government Press, does not anticipate any additional cost to Government in undertaking the printing, distribution and sale of the University publications, and the undertaking is to be subject to the conditions specified in paragraph 2 of his letter No. 5091, dated 8th September 1916.

2. As regards printing, the University is to be debited with the cost of printing plus 25 per cent. Thus the condition laid down in paragraph 6 (ii) of G.O. No. 411, Public, dated 20th May 1909, for the execution of private work at the Government Press is satisfied. *the/*

3. Please see paragraph 4 of the Superintendent, Government Press' letter referred to in paragraph 1 ante and paragraph 3 of Home (Education), note at top of this page. The press is to be allowed the discount of 33½ per cent on the sale price for doing work as agents for the sale of University publications. This is the discount usually allowed to agents for the sale of Government publications—c.f. paragraph 5 of agreement on page 3 of G.O. No. 101, Financial, dated 9th February 1907. It is submitted that the fact that the Press is to be allowed this discount cannot by itself be a sufficient ground for not charging the University with the cost of publishing the advertisements. However, the Superintendent, Government Press, says the cost would be very small. Please see also in this connection paragraph 6 of G.O. No. 690, Public, dated 15th September 1905, directing the publication of the notices of the University of Madras without charge. Similarly the University may be excused the cost of publishing the advertisements. *the/*

4. Submitted that the draft order may be accepted and the case passed on to financial. *the/*
