PROCEEDINGS OF THE DIRECTOR OF PUBLIC INSTRUCTION.

READ the following paper:—

From M.R.Ry. C. Srinivasa Rao Sahib Avergal,
B.A.B.L., Secretary, Madura College Board, Madura, No.
65 dated 18th September 1916, to the Director of Public
Instruction, Madras.

I have the honour to state that the Madura
College Hostel building for which a Government grant
of Rs. 38,000/- has been sanctioned in Government Order
No. 1196 Educational, dated 15th December 1913, communi-
cated with your Proceedings No. R.O.C. 2935 of 1912 da-
ted 18th December 1913, is under construction and it has
reached the terrace height. On the contractor's repre-
sentation (vide copy of his letter dated 12th June 1916
enclosed) that the price of girders and joists has risen
to thrice the original value and on his suggestion that
the Madras Terrace with wooden joists may be substituted
for Jack arch terracing with iron joists provided for in
the sanctioned Estimates, the sub Division Officer and
the Executive Engineer, Madura Special Division, were
addressed on the subject.

In his reply to the Sub Division Officer, Ma-
dura No. 2846, dated 12th September 1916 (copy enclosed)
the Executive Engineer in passing orders that the altera-
tions suggested may be made, requires the College autho-

authorities to get the approval of the Chief Engineer through you before the work is put in hand,

I request, therefore, that you will be pleased to get the approval of the Chief Engineer for the alterations suggested in the Comparative Statement of Differences, at your earliest convenience.

(True copy)

Forwarded to the Chief Engineer, Public Works Department and recommended that the Secretary's request to substitute Madras terrace with wooden joists for jack arch terracing with iron joists may be sanctioned,

2. The approved plans and estimates are also sent herewith.

For AS.

The substitution of
 Madras tenaced flooring for jack
 arched flooring as suggested by
 The Secretary, Madras College Board
 and recommended by the D.P.I., will
 entail at present an excess of only
 Rs 43, ^(over the provision originally allowed for jack arched flooring) which can be met out
 of ^{the provision for} Contingencies in the Sanctioned
 estimate. The CE recommends the change of flooring
2. The file may now be
 forwarded to Home (Est.) with
 the above remarks and with
 the recommendation that the
 proposed alteration may be accepted.
