Read—the following paper :—

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.E.S., C.I.E., Director of Public Instruction.
To—the Secretary to Government, Home (Education) Department.
Dated—Madras, the 23rd August 1916.
No.—Ref. on Cur. 5025/3829.

With reference to G.O. No. 41, Financial, dated the 19th January 1916, I have the honour to submit herewith applications from M.R.Ry. R. Krishnaswami Ayyangar, B.A., L.T., Sub-Assistant Inspector of Schools, Tirupati range, and M.R.Ry. R. Sitarama Rao, B.A., L.T., Sub-Assistant Inspector of Schools, Anantapur range, praying for an advance of Rs. 200 and 220, respectively, for the purchase of double bullock bandies with bulls and to state as follows :—

M.R.Ry. R. Krishnaswami Ayyangar has been a Sub-Assistant Inspector for more than two years. He was in the probationary class till June 1915 drawing a salary of Rs. 75 per mensem. He was promoted to class V in June 1915 and three months thereafter he went on long leave for six months. Officers in the probationary class are not required by the Director to maintain a conveyance while those in a higher class are. Consequently the Sub-Assistant Inspector contends that his promotion to class V should be taken as his first appointment to touring for purposes of G.O. No. 41, Financial, dated the 19th January 1916. M.R.Ry. Sitarama Rao's case was referred to the Accountant-General (vide letter R.C. No. 3829, dated the 23rd May 1916, copy enclosed), and the Accountant-General has replied in his letter No. Edn. 15-5310, dated the 17th June 1916, that the Government Order is not strictly applicable to the case in question and that the special sanction of Government should be obtained to the grant of the advance to this officer.

2. It will be seen that the question at issue is whether G.O. No. 41, Financial, dated the 19th January 1916, is applicable to officers of this department (i) who have been promoted to the fifth grade as Sub-Assistant Inspectors and are consequently obliged to maintain a conveyance, although their previous appointment in the probationary grade involved touring, (ii) who have held touring appointments, been transferred to non-touring appointments and are re-transferred subsequently to posts involving touring.

3. Should Government rule that the Government Order is applicable in such cases I would recommend that the advances asked for in the two instances quoted may be sanctioned.

ENCLOSURES.

Dated—the 23rd May 1916.

With reference to G.O. No. 41, Financial, dated the 19th January 1916, an advance not exceeding Rs. 250 can be sanctioned for the purchase of means of conveyance to an officer in connection with first appointment to duties involving touring. I have the honour to inquire whether an advance is sanctionable in the following case. M.R.Ry. R. Sitarama Rao was employed as Sub-Assistant Inspector, Cumbum Range, in 1912 and after having worked in that capacity for more than two years he was transferred to the non-touring branch as an assistant in the Government Training School, Bellary. He was transferred to the inspecting branch as Acting Sub-Assistant Inspector of Schools, Anantapur Range, in September last. This post he holds and is likely to continue to hold and to be confirmed as a Sub-Assistant Inspector. Cases of such retransfer to a touring post after considerable service in a non-touring post are not infrequent in this department; but it is doubtful whether paragraph (1) of clause (1, 2) of article 137 of the Civil Account Code is applicable. Strictly speaking the case under reference is not a transfer to first appointment to a touring post, but the officer was transferred in the interests of the public service and it appears to be cases of this kind that the new clause was intended to benefit.

2. The nature of the conveyance to be purchased is a double bullock bandy, the two bulls costing Rs. 150 and the bandy Rs. 70 only.

2. The Sub-Assistant Inspector has now reduced the amount of advance to Rs. 220, and this amount may kindly be sanctioned.

M. RAMASWAMI AYYANGAR,
Acting Inspector of Schools, Third Circle.

Order—No. 1138, HOME (EDUCATION), dated 30th October 1916.

The Director of Public Instruction will be informed that an advance under clause (i, i) of article 137 of the Civil Account Code is admissible to an officer only once in the whole period of his service, i.e., on his "first appointment to duties involving touring." The Government are pleased to direct that, in the case of a Sub-Assistant Inspector of Schools entertained at the bottom of the grade, his confirmation in the fifth grade should be taken as the "first appointment" for the purpose of the advance.

2. Sanction will accordingly be given to the payment of an advance of Rs. 200 to M.R.Ry. R. NOTES CONNECTED WITH G.O. No. 1133, HOME (EDUCATION),
DATED THE 30TH OCTOBER 1916.

[SUBJECT.—*Advance for the purchase of conveyance.*]

*Reference from the Director of Public Instruction, No. 5025, dated
the 23rd August 1916.*

It is submitted that, so far as this department is concerned, there appears to be no objection to the grant of advances in the two cases referred to in the Director of Public Instruction's letter, but it may be distinctly ruled that an officer can draw advance only once in the whole period of his service. The remarks of Financial Department may, however, be invited in the first instance.

N.K.—4-9-16.

Page 2 of G.O. 41, Financial, 19th January 1916. The question turns on the interpretation of the expression "*first appointment to duties involving touring.*"

Sub-assistant inspectors in the probationary grade *are* required to tour as much as those in the higher grades. The question, whether they are required to maintain a conveyance or not does not seem to affect the issue. Sub-assistants in the probationary grade hold appointments *substantively* and not, as the name might imply, only on trial.

The first case referred to in paragraph 2 of the current does not therefore seem to fall within the Government Order.

2. The second question regarding retransfer to touring work, seems to come within the Government Order. With a permanent transfer to non-touring duties one will be disposed to sell away his carriage. A permanent retransfer to touring duties will therefore amount to "first appointment to duties involving touring."

The file may be sent to Financial for remarks.

OFFICE OF THE ACCOUNTANT-GENERAL.

An advance under this Government Order is admissible only once in one's service (i.e.), on first appointment to a touring appointment. There is no audit objection to Government declaring that confirmation in class V of the Subordinate Educational Service should be taken as the first appointment in the case of Sub-Assistant Inspectors of Schools, for the purpose of this advance.

P.R.—4-10-16.

The Director of Public Instruction may be asked un-officially whether there is any objection to the issue of an order in the terms proposed.

2. The case of M.R.Ry. R. Sitarama Rao is not very clear. If he was permanent in the fifth grade while employed as Sub-Assistant Inspector, Cumbum range, in 1912, he would not now be eligible for an advance. The Director of Public Instruction may be asked to clear the doubt.

He therefore appears to be eligible.

In the circumstances stated in the Director of Public Instruction's note above Mr. Sitarama Rao also appears to be eligible for the advance. The draft order has been slightly altered to suit his case also and is re-submitted for approval.

READ—the following paper:—

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 23rd August 1916.

No.—Ref. on Cur. 5025/3829.

With reference to G.O. No. 41, Financial, dated 19th January 1916, I have the honour to submit herewith applications from M.R.Ry. R. Krishnaswami Ayyangar, B.A., L.T., Sub-Assistant Inspector of Schools, Tirupati range, and M.R.Ry. R. Sitarama Rao, B.A., L.T., Sub-Assistant Inspector of Schools, Anantapur range, praying for an advance of Rs. 200 and 220, respectively, for the purchase of double bullock bandies with bulls and to state as follows:—

M.R.Ry. R. Krishnaswami Ayyangar has been a Sub-Assistant Inspector for more than two years. He was in the probationary class till June 1915 drawing a salary of Rs. 75 per mensem. He was promoted to class V in June 1915 and three months thereafter he went on long leave for six months. Officers in the probationary class are not required by the Director to maintain a conveyance while those in a higher class are. Consequently the Sub-Assistant Inspector contends that his promotion to class V should be taken as his first appointment to touring for purposes of G.O. No. 41, Financial, dated 19th January 1916. M.R.Ry. Sitarama Rao's case was referred to the Accountant-General (vide letter R.C. No. 3829, dated 23rd May 1916, copy enclosed), and the Accountant-General has replied in his letter No. Edn. 15-5810, dated 17th June 1916, that the Government Order is not strictly applicable to the case in question and that the special sanction of Government should be obtained to the grant of the advance to this officer.

2. It will be seen that the question at issue is whether G.O. No. 41, Financial, dated 19th January 1916, is applicable to officers of this department (i) who have been promoted to the fifth grade as Sub-Assistant Inspectors and are consequently obliged to maintain a conveyance, although their previous appointment in the probationary grade involved touring, (ii) who have held touring appointments, been transferred to non-touring appointments and are re-transferred subsequently to posts involving touring.

3. Should Government rule that the Government Order is applicable in such cases I would recommend that the advances asked for in the two instances quoted may be sanctioned.

With reference to G.O. No. 41, Financial, dated 19th January 1916, an advance not exceeding Rs. 250 can be sanctioned for the purchase of means of conveyance to an officer in connection with first appointment to duties involving touring. I have the honour to inquire whether an advance is sanctionable in the following case. M.R.Ry. R. Sitarama Rao was employed as Sub-Assistant Inspector, Cumbum Range, in 1912 and after having worked in that capacity for more than two years he was transferred to the non-touring branch as an assistant in the Government Training School, Bellary. He was transferred to the inspecting branch as Acting Sub-Assistant Inspector of Schools, Anantapur Range, in September last. This post he holds and

4

No. 1138, HOME (EDUCATION), 30TH OCTOBER 1916

is likely to continue to hold and to be confirmed as a Sub-Assistant Inspector. Cases of such retransfer to a touring post after considerable service in a non-touring post are not infrequent in this department; but it is doubtful whether paragraph (1) of clause (1, 2) of article 137 of the Civil Account Code is applicable. Strictly speaking the case under reference is not a transfer to first appointment to a touring post, but the officer was transferred in the interests of the public service and it appears to be cases of this kind that the new clause was intended to benefit.

2. The nature of the conveyance to be purchased is a double bullock band, the two bulls costing Rs. 150 and the band Rs. 70 only.

3. When I first applied for the advance amount, I thought of purchasing both (band and bulls) for Rs. 250. Now, since two bulls can be got for a lower amount, I require only Rs. 220 which may be kindly sanctioned at an early date.

HOME (EDUCATION) DEPARTMENT.
 NOTES CONNECTED WITH G.O. No. 1138, HOME (EDUCATION),
 DATED 30th OCTOBER 1916.

[SUBJECT.—Advance for the purchase of conveyance.] *the*

Reference from the Director of Public Instruction, No. 5025, dated 23rd August 1916.

It is submitted that, so far as this department is concerned, there appears to be no objection to the grant of advances in the two cases referred to in the Director of Public Instruction's letter, but it may be distinctly ruled that an officer can draw advance only once in the whole period of his service. The remarks of Financial Department may, however, be invited ~~(and)~~ in the first instance.
 N.K.—4-9-16.

The question turns on the interpretation of the expression "first appointment to duties involving touring."

Sub-assistant inspectors in the probationary grade are required to tour as much as those in the higher grades. The question, whether they are required to maintain a conveyance or not does not seem to affect the issue. Sub-assistants in the probationary grade hold appointments *substantively* and not, as the name might imply only on trial.

The first case referred to in paragraph 2 of the current does not therefore seem to fall within the Government Order.

The second question regarding retransfer to touring work, seems to come with the Government Order. With a permanent transfer to non-touring duties one will be disposed to sell away his carriage. A permanent retransfer to touring duties will therefore amount to "first appointment to duties involving touring."

The file may be sent to Financial for remarks.

 An advance under this Government Order is admissible only once in one's service (i.e.) on first appointment to a touring appointment. There is no audit objection to Government declaring that confirmation in class V of the Subordinate Educational service should be taken as the first appointment in the case of Sub-Assistant Inspectors of Schools, for the purpose of this advance.

A draft order is submitted for approval.

~~P.R.—4-10-16.~~

The Director of Public Instruction may be asked un-officially whether there is any objection to the issue of an order in the terms proposed.

2. The case of M.R.Ry. R. Sitarama Rao is not very clear. If he was permanent in the fifth grade while employed as Sub-Assistant Inspector, Cumbum range, in 1912, he would not now be eligible for an advance. The Director of Public Instruction may be asked to clear the doubt.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

He was in the probationary grade in 1912 in Cumbam and transferred next year to training school, *non-touring* appointment in the Bellary training school and was confirmed in the fifth grade in a *non-touring* appointment on 1st March 1914 and was first appointed to a touring appointment in that grade on 9th September 1915. He therefore appears to be eligible.

J. H. STONE—16-10-16.

HOME (EDUCATION) DEPARTMENT.

In the circumstances stated in the Director of Public Instruction's note above Mr. Sitarama Rao also appears to be eligible for the advance. The draft order has been slightly altered to suit his case also and is re-submitted for approval.
