No. 644

Station Madras, Dated the 27th September 1916.

From (Name) A. H. Longhurst, Esq.,

(Designation) Superintendent, Archaeological Survey

Southern Circle, Madras.
To the ~~Chief~~ Secretary to the Government of Madras

Home Department (Miscellaneous)
Cotacamund.

(Through) The Collector of Cuddapah District.

S i r

I have the honour to state that the undermentioned ancient monuments situated in Cuddapah Town are at present only tentatively entered in the List of Ancient Monuments dated 1910:--

- (1) No. 146. Nawab's Towers at the Jail, and a bastion lying outside.
- (2) No. 147. Syed Ahmed Sahib's Masjid.
- (3) No. 148. Four Ancient Mosques in the town.

Of these, the Nawab's Towers and Syed Ahmed Sahib's

Tomb (not Masjid) alone, are worth including permanently in the revised "List" now under preparation. I, therefore, request that these two monuments may be permanently included and that the old bastion and the Four Mosques in the town may be deleted from the list.

I have the honour to be,

Sir,

Your most obedient servant,

F. H. Longhurst
Superintendent.

No one knows here what were the four ancient mosques that were tentatively included in the list of Ancient Monuments. I have, however, seen all the mosques in the town and none of them in my opinion deserve to be preserved as Ancient Monuments. The bastion also may be excluded. The Nawab's tomb and his grave are of great interest but only deserve to be preserved.

SUBJECT. ancient Monuments.

The proposals of
the Supt., Archaeological Survey,
which have the support of the
lecturer may, it is submitted,
be approved. It may be noted
in passing that the description
of item 147 in the Supt.'s letter
does not tally with that given
in the list of ancient monuments
selected for conservation approved
by the Govt. in 1910. It has
however been ascertained by

T. M. at 2117 (R)

telephone that the description in
the standard list is wrong.
Attention is also directed to para
2 of Mr. Rao's letter on page 2 of
G.O. No. 513 Pals., dt. the 13th June 1910
in which it was stated that only
some of the items included in the
list provisionally have been
verified

verified by inspection, as that the others would be inspected during future conservation tours and that any subsequent alterations which might result therefrom would be carried out by means of errata slips. In respect of the monuments now under consideration Mr. Longhurst states that no errata slips have been issued, but that their description in the Standard List is wrong.

Obviously he has verified their description by inspection.

~~It is not necessary to go to the trouble of issuing errata slips.~~

2. A draft order is submitted for approval.

The descriptions given for item nos 46-48
in the list of Ancient Monuments are
wrong and no erratum to the list appears
to have been issued since 1910. The only
monuments of Luddahat that are worthy
including permanently in the revised list are
the Nawab's towers and Syed Ahmad Sahib tomb.
