MADRAS UNIVERSITY

From

MR. Ry. S. KRISHNASWAMI AIYANGAR AVL., M.A., M.R.A.S., FR. Hist. S.,

Professor of Indian History and Archaeology,

University of Madras.

The Secretary to the

Government of Madras,

Public Department,

Ootacamund.

Sir,

I beg to acknowledge with thanks G.O.No.Mis.37., dated the 10th August 1916 communicating to me the order of the Government of India in respect of my request to include my name in the Free Distribution List of Archaeological Survey reports and the Epigraphica Indiaa. Since however the Government of India have been pleased to express their willingness to lend me, and even in some cases to present me, with, any particular publications I may require, I request the favour of your recommending that two odd volumes of the Epigraphica Indica (Vol.VI & VII) be presented to me if available, as I have been able to acquire by purchase the other volumes previous to this and some of the succeeding volumes as well. In respect of loans, of books, I should value the privilege very much if I could get the loan of some of the books, Government of India publications and other, which may be in the Library of the Director-General of Archaeology. I may point out here that applications for such a loan from me are likely to be very few and far between, as I am likely to ask for a rare book which may not otherwise be available to me in Madras or elsewhere nearer Home. I should be very grateful indeed if this should prove to be feasible.

While on this question, I beg that I may be permitted to take out books from the Connemara Public Library on the same terms as the Epigraphist to the Government of Madras and a few others who, I understand, are permitted the privileges under -

under orders of Government. Even here, I will have occasion to exercise the privilege only at long intervals.

I beg to remain,

Sir,

Your most obedient servant,

S. Krishnaswami Aiyar

Professor of Indian History &
Archaeology,
University of Madras.

For the Registrar,

M.R.R. Krishnaswami Ayyangar

Requests that he may be permitted to take out books from the Coimbatore Public Library on the same terms as the Govt. Epigraphist and others. From para 5 on p. 3 of G.O. No. 54 Ed., of the 20-1-12, it will appear that books are lent out occasionally to some of the public offices for official reference. Private individuals do not however appear to have been allowed to take books outside the premises of the Library. Though the inconvenience that will be caused to the public

public by important books being removed from the Library may be very great, since the professor states that he will exercise the privilege only at long intervals. He may, perhaps, be allowed as a special case to take the books he requires subject to the condition that he will promptly return them when done with.

Orders on this point will issue in this Dept. on receipt of a copy of the proceedings of the House (Mis) Dept. on this file. With these remarks the file may be returned to the House (Mis) Dept.
