No. 257-9. 26

Station MADRAS Dated the 24th OCTOBER 1916.

From (Name) COMMANDER C.W. SHEARME, R.I.M.,

(Designation) PRESIDENCY PORT OFFICER.

To The Chief Secretary to the Government of Madras,
Public (Marine) Department.

Sir,

I have the honour to submit for the favourable consideration and orders of Government the following proposal for the exemption from the operation of article 1 of the Public Service Notification of certain unpassed clerks in this department, so as to admit of their being promoted to permanent posts, the sanctioned pay of which does not exceed Rs.30/- per mensem, on the occurrence of suitable vacancies.

2. In approaching Government with this proposal, I am not regardless of the fact that the primary object,

UNIVERSITY MATRICULATION

object of the exaction of a pass in the University Matriculation examination or other equivalent or superior qualification for admission to appointments on superior service on pay exceeding Rs.20/- per mensem is to secure fit candidates for offices under Government and to exclude decided incapacity. Nevertheless, I am of opinion that the case of really useful and capable clerks already in the service who are debarred from promotion on account of the literary test bar but yet qualified in every other way to fill such situations, merit, special consideration and treatment at the hands of the Government.

3. the names and total services on the 1st October 1916 of the particular clerks in respect of whom the present recommendation is made are set forth on the margin. These clerks were employed on several occasions in acting vacancies in appointments the sanctioned pay of which exceeded Rs.20/- per mensem and they always showed themselves efficient and reliable and gave every satisfaction in the discharge of the duties entrusted to them. They are well reported on by the Port officers under whom they work and the case of No. 3 deserves special consideration on account of the training he has had both at the Head Office and at Tuticorin, the foremost outpost in the Presidency.

4. Under the above circumstances and in view also of the fact that the practical requirements of service in the department in lower grades do not demand the possession of superior literary attainments on the part of their incumbents, I beg that Government will be pleased to signify their approval to my request.

5. the form the submission of which is prescribed in the Educational Department Circular No. 603, dated the 13th December 1906 is duly appended to this letter.

I have the honour to be,

Sir,

Your most obedient servant,

C.W. Shearn

Commander, R.I.M.,

Presidency Port Officer.

TELEPHONIC MESSAGE.

From *The Manager, Presidency Post Office*

To *The Superintendent, Home (R.D.N.)*

Please see G.O. 1162 Home R.D.N. dated the 8th instant. The order as it now stands would seem to preclude appointment of individuals in question permanently as clerks on Rs 30 per mensem and less in other offices belonging to this department than the office of the P.P. officer. Only

one of the three men is now serving

in this office. But it was distinctly stated both in the P.P.O's letter and in the exemption application forwarded therewith that the exemption thought on behalf of the men was for their employment in clerical posts in this Presidency Post service. I would therefore request that you would kindly cause a revised G.O. to be issued substituting the words Presidency Post Service for the word Office of the P.P. Officer at present occurring in the order.

For the Page:

Since it was not

quite clear from the P. P. O.'s letter on pages 1 to 3 of G. C. No. 1162 Ed. 1, of the 8th Nov. 1916 that the exemption was in respect of the "Press and Port Service" as distinguished from the "office of the P. P. O." the latter was adopted - please see also the heading in the application on page 4 at slip (V). In vol. 2 of the application no doubt 'Presidential Port Service' was specified. But this was ~~understood~~ to be service in the Press Port Office; further there was no ~~possibility~~ ^{definiteness} in the correspondence.

2 It is ~~very~~ for consideration whether a substitution copy of the Go. with the words "Press and Port Service" put in in place of of "office of the P. P. O." may be issued. The mistake is regretted.
