G.O., No. 1174

DATED

11/15/16

[Despatch Abstract.]

Uriyas.

Recording extract from the memorandum of grievances of the ——— relating to the establishment of an engineering school for ——— in consultation with the Government of Bihar and Orissa.

6. The Uriyas of Ganjam are not a little handicapped by the paucity of proper educational institutions, like Engineering Medical, which are located only in far-off Madras and in the race for progress undertaken by the different communities living in this province, the Oriya is always behind. Until the territorial re-distribution *was* wished for by one and all of us is carried into effect, we beg to suggest the establishment, in consultation with the Government of Bihar and Orissa of common educational Institutions for Engineering and Medical training, at proper centres, like Cuttack, lying within the easy reach of the Oriya people.
